

# The Reception Round-up!

*First of all, welcome to Emscote Infant School! We hope you have had a good first week. We are so proud of how well your children have settled and we have really enjoyed getting to know them all!*

## Some of the lovely things we have been learning this week:

We have been learning how to access our school environment. This includes the different learning areas in our classroom, the 'shared' area (the indoor area outside our classroom) and the 'outside' area.

## Some of the things the children might experience next week:

We will be introducing groups A and B and are sure they will enjoy making even more friends and learning each other's names!

We will be introducing the children to 'Dough Disco' which is a fun way of developing their fine motor skills.

We will also start teaching the children the characters in our reading scheme.

## How you can help your child at home:

- Check that your child can remember our rules... HIGH FIVE!
- Check that your child knows which colour group they are in.
- Continue to practice their independence in dressing, putting on/taking off their coat and toileting.

### Our rules:

1. Good learning
2. Good looking
3. Smart sitting
4. Good listening
5. Hands up rather than calling out

**Please check that your child can remember them...HIGH FIVE!**

Can you give a high five today?

## What's going on this week/notices/information:

**Birthday notice:** A few years ago, our School Council decided it would be exciting if the children were allowed to wear their own clothes on their birthday each year! So we warmly invite your child to do so, when it is their birthday. If your child's birthday falls at the weekend/in a holiday, they can still come dressed in their own clothes on the Friday or Monday surrounding their birthday.

**Water bottles:** Please ensure your child is bringing their filled water bottle to school each day and that they are named. Sign up online for milk if your child would like this.
