

An update on the Early Years at Emscote

With a full cohort of 60 children and a dedicated team of 8 staff

The new Early Years Framework

- Became statutory in September 2021
- Overarching principles set out by the DfE:
- Every child is a **unique child**, who is constantly learning and can be resilient, capable, confident and self-assured
- Children learn to be strong and independent through **positive relationships**
- Children learn and develop well in **enabling environments with teaching and support from adults**, who respond to their individual needs and help them to build their learning over time
- Importance of **learning and development**. Children develop and learn at different rates

The updated Educational Programmes/ELGs

The 7 areas of learning and development:

- Communication and language
 - Personal, Social and Emotional Development
 - Physical Development
 - Literacy
 - Mathematics
 - Understanding the World
 - Expressive Arts and Design
-
- To read the Statutory Document: [Search Statutory Framework for the EYFS](#)

How this works at Emscote

- We have updated our curriculum inline with the new EYFS
- Our topic based curriculum is varied – Wonderful Wellies, cooking, extra music & PE from outside providers, daily phonics & maths sessions, indoor and outdoor play provision, experienced staff who are 'in' with the children building upon their individual next steps in learning
- There is less time spent on evidence collecting/Tapestry and more time spent with the children
- We have a big focus on language development and PSED (Zones of Regulation)
- But first I'd like to quickly give you a visual flavour of Reception...

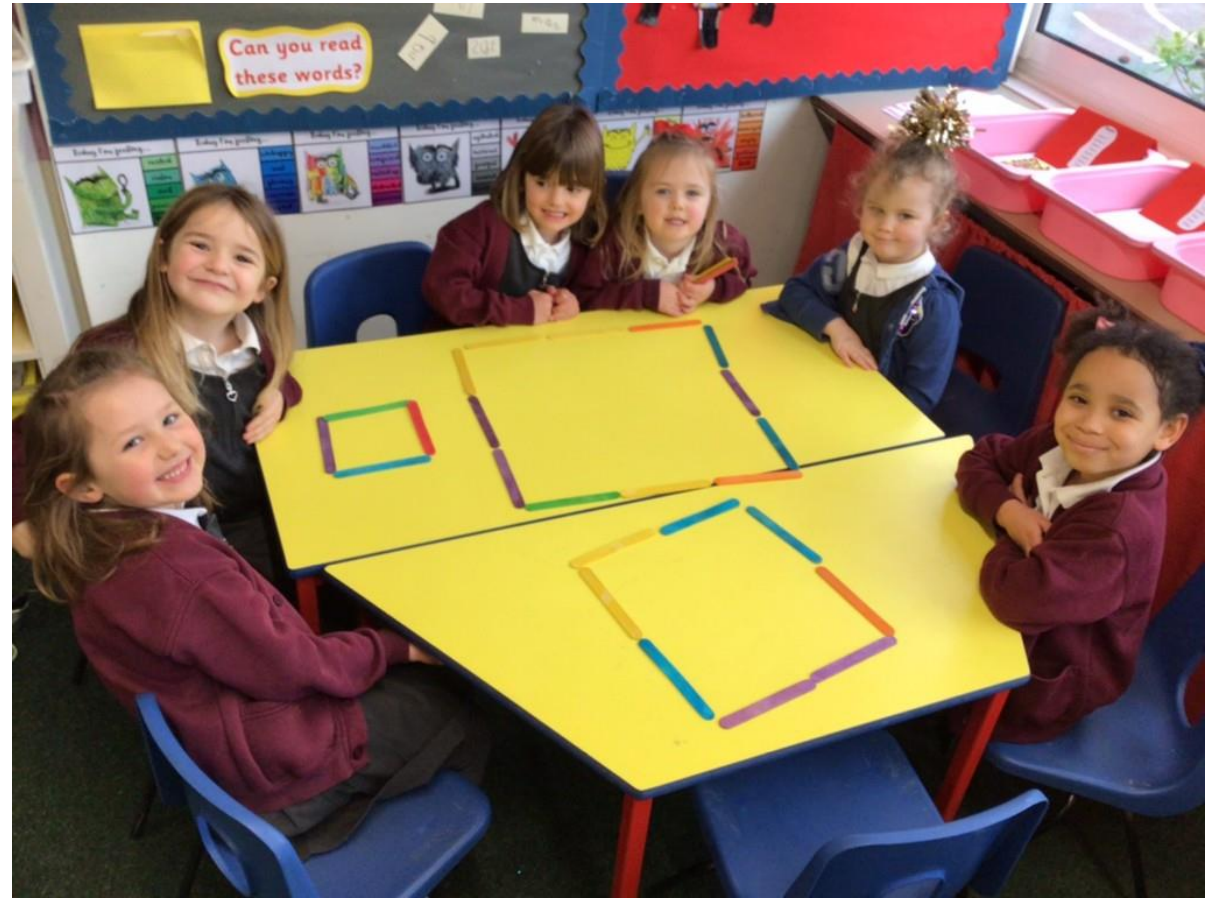

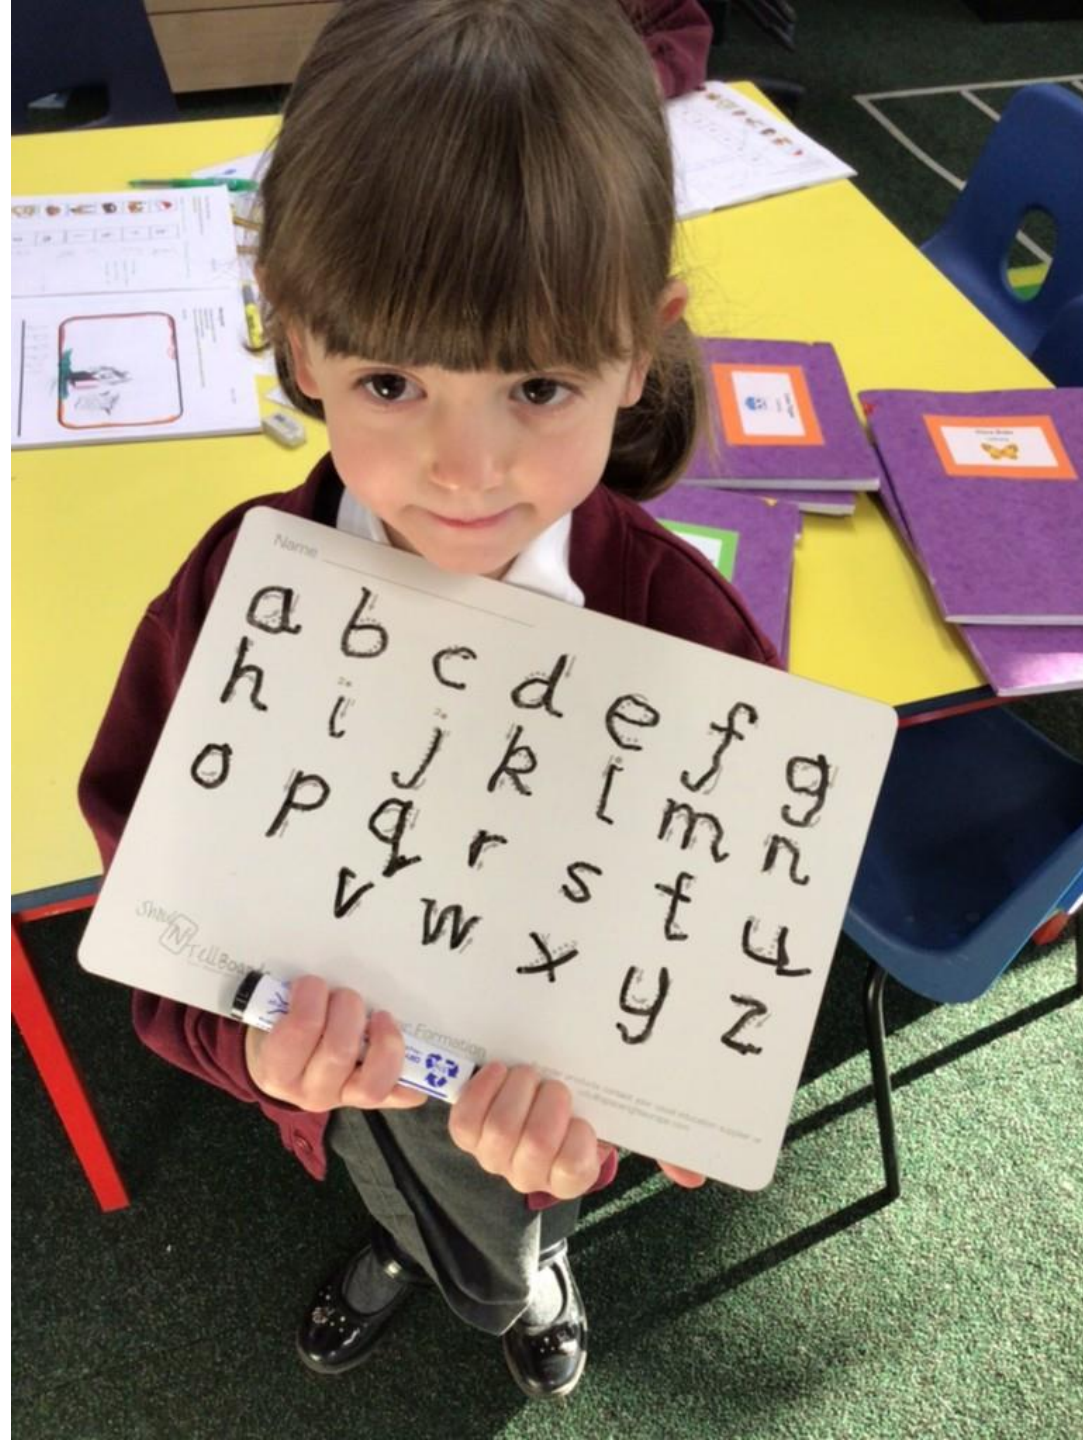

We have a lot of fun at
school!
