Naming School Jumpers

Now that the children are playing out on the field at lunch time it is especially important to label school jumpers as undoubtedly there are items left on the field when they come back in. It is amazing how many are not named ! Please write your child's name on the label and we can reunite them easily.

To celebrate the Royal Wedding

between Prince Harry and Meghan Markle, which is due to take place on **Saturday 19th May**, we are planning our own celebration in school.

It will be held on the afternoon of **Friday 18th May**.

Children will spend time doing different royalty-themed activities in their classes and will then have a celebration on the field with the rest of the school.

They are invited to bring in their own clothes in the royal colours of **red**, white and/or **blue** to change into for the afternoon.

If you are able to send something in to contribute towards a class picnic, it would be gratefully received. However, please note that as all children will have had lunch, they only need to bring small contributions such as biscuits, small cakes, crisps etc.

We are looking forward to the celebration and to sharing photos of it with you.

Dear School Family,

As you will know, we have a strong friendship with schools in Bo, Sierra Leone and this summer, as in most years, we will be hosting two Bo teachers for the month of June. They will be spending time in all 15 of our One World Link schools across Warwick and Leamington, meeting teachers and pupils and sharing in our Education.

Would you like the pleasure of hosting a teacher from Sierra Leone for a week in June?

Mr John Sandi, OWL Teachers Coordinator in Bo and Head of Sewa Rd School (linked with Clapham Terrace) and Mr Francis Jusu, a teacher at UBC school (linked with The Ferncumbe), will be our guests.

Most of the time they will be engaged at school or other activities on a busy programme, but they would need bed/breakfast and some evening meals along with tlc and friendship. Expenses payable.

If you are interested please contact Mrs Garrett (teacher at All Saints) ASAP.

As soon as possible

Dealing with the 'stranger danger' message.

Below is a message from the Warwickshire Safeguarding Children Board. It gives some clear advice for you to use if discussing this issue with your children. This is the message we also give out in school.

As promoted by Warwickshire Safeguarding Children Board's Taking Care Scheme please do not teach blanket 'stranger danger' messages to children. The reason for this is that sometimes a stranger is the only person who can help us and is a far safer option than not talking to anyone. E.g. a child lost in a shop is far safer to tell a stranger they are lost than to wander off looking for the person they have separated from. We may choose to discuss the likely 'safest' strangers in such scenarios such as a mother with a pram or small children or someone who works in the shop.

However, we do need to clarify the stranger issue as plainly there are situations we may want to warn children about for their own safety e.g.

- Not to get in a car with anyone (NOT just someone they don't know) unless their parent/guardian knows who/ where/ when etc and has given permission.
- not leaving school with someone other than who they were expecting unless their parent/guardian knows who/ where/ when etc and has given permission and they have checked with a school staff member. Sometimes a password system is used so that children are only released into the care of an adult who can give the correct password - this is usually changed as soon as it has been used once.
- not to walk off with anyone (NOT just someone they don't know) unless their parent/guardian knows who/ where/ when etc and has given permission.
- If someone tries to grab them it is ok to break all the rules of politeness to others e.g. scream, kick, punch, bite...etc. Whatever they need to do to draw attention to themselves and alert others to the fact they are in danger.

Please reinforce these safety messages to the children regularly without giving them the idea that ALL strangers are 'bad'.

Help UK Air Ambulance Services by recycling your Used Postage Stamps!!!

The UK's Air Ambulance Services are charities which receive no government funding and rely entirely on **charitable donations to continue flying and responding to life threatening medical emergencies.**

We are now volunteering our time to help raise funds through the **recycling of postage stamps.**

All funds raised will be donated to the Association of Air Ambulances to be distributed equally to all UK Air Ambulance Services

Whether they're British or overseas, new or used, send them to us and we'll turn them into funds to keep the UK Air Ambulance Services responding to life threatening medical emergencies.

All you need to do is cut or carefully tear the stamped corner from any envelope or packet that you receive in the post and start a collection.

Once you have a large bundle, bag them up and send them to us at the below address:
