

### **2018-19 Marathon Kids Progress**

We are encouraging the children to take part in our 'Marathon Kids' sessions every lunchtime except Wednesdays when we have the bikes, trikes and scooters session in full swing! We do therefore have the track open during a Wednesday playtime session so that the children who want to run get a chance every day, whatever the weather! The children can walk, run, skip, hop, or travel around the playground anyway they like collecting bands from the start/finish area after completing a whole circuit.

The bands are counted at the end of each session and teachers collate the results onto the Marathon Kids digital tracking system. Children who have run the equivalent of a half marathon will be awarded a certificate to mark their achievement and if a child has shown true determination and commitment to run the equivalent of a full marathon they are awarded a medal during a Monday assembly. How many medals can we give out this year? We are doing so well and have 24 children at the half marathon stage, 6 children who have worked so hard to reach a full marathon milestone and we have Louie in Year 2 who is already at the 2 marathon milestone! Amazing running everyone, let's keep it up!

Our full marathon runners!

Children who had run a half marathon – congratulations!
