July 2021

As we draw to the close of an eventful year, it is time to reflect on all the amazing teaching and learning that has continued throughout the covid restrictions, whether in or out of school. Your children have taken almost all of it in their stride and continue to look happy and enthusiastic; it really is a pleasure to see. They have also continued to make progress in their learning as you will see when reports come out to you on Thursday, 15th July.

As always, we are grateful for the support you have given to your children but also to the staff over these turbulent months. I'd like to take this opportunity to thank all of our staff for their incredible hard-work and resilience over this year, they really are an amazing team!

Looking forward to September, there will obviously be some changes in procedures following updates in government guidance. We plan to send confirmation of any changes to you over Thurs/Fri 2nd/3rd September when we return for INSET days. This information will therefore reflect the most up-to-date government guidance. So please don't worry if you don't have information about start times and entrances before the summer - we don't want to make plans which then have to change at the last minute. We've all done enough of that this year!

Finally, to our Y6 children, you have been simply incredible this year and we are very proud of your achievements; academically, socially & emotionally. We wish you the very best of luck in your new secondary schools - be happy, we know you'll continue to thrive and progress. Come back to visit and let us know how you are getting on.

To those Y6 parents who have reached the end of your time as All Saints' parents - thank you for everything over your years with us. Wishing you all a wonderful summer when we reach the end of term.

Sandra Sutherland

New all-weather track

We are delighted to tell you that the installation of our new all-weather track has now been completed. It is not an athletics track with lanes for running but rather, an all-purpose track for doing daily mile/kids marathon running, cycling and scooting throughout the year. It is a fantastic addition to our facilities here and has only been possible through our PE budget funding and a grant from the council obtained through our PTA. Mr Payne has measured and calculated the maths - children will need to run 235 laps across next year in order to reach the goal of 26 miles, a full marathon!

Warwickshire Road Safety Partners' School Parking Survey

Sports Day/ Week

On the week of the 21st June 2021, All Saints' took part in National Sports Week. During this week, the children did lots of Active Maths and English in class and also had their own year group sports day. As part of their sports day, the children were put into five countries linked to the upcoming Olympics. The sports day consisted of a carousel of different activities which included: football slalom, hockey dribble, hurdles and throwing and then a variety of competitive races. All the children had a super week and got stuck into it all. Well done All Saints!

PCSO Visits

All year groups enjoyed and learnt a lot from their visit from local police officers recently. They spoke to us about the importance of staying safe online and appropriate use of social media. Then, children were given the opportunity to ask any weird and wonderful questions they had about policing. Some of us even got handcuffed!

Year 6 Robinwood Photo Album

Please make the purchase on www.eduspot.co.uk and the link will be emailed to you separately.

Outstanding Payments

Please make sure all outstanding payments, including dinner money arrears are made before the end of term, thank you. Please log on www.eduspot.co.uk with your usual log on and password

Library Books

All library books to be returned by Wednesday 14th July - these can be kept to read in school before the end of term but must not go back home, thank you. Children should use MyOn our digital library for reading over the summer. Please contact your class teacher or the office if you child needs reminding of their logon details.

HAF Holiday Scheme

Ahead of the summer holidays, we wanted to let you know about the brilliant new Holiday Activities and Food programme which is operating in your local area. We are helping to launch a new film to promote the programme so parents know that their children can get involved in a local holiday club when the school term ends this July.

We know that the holidays can be a really difficult time for families who are struggling to make ends meet or who are juggling work and childcare. The holidays should be a time for every child to enjoy themselves rather than worrying about having enough to eat or how they can spend their free time.

That's why we're really excited about the summer holiday programmes that are being funded by the Government and will take place across the whole of England. This was recommended by the National Food Strategy when it was published last year. A petition supporting the recommendation was signed by over 1 million people.

Places on the holiday schemes are available for free to children who receive free school meals, but children and young people of all ages and backgrounds are welcome to attend. Each local programme will provide delicious, healthy meals, allow kids to get active, help them learn new things, make friends and have fun. And that is what the holidays are all about!

You can find out more by watching this new film that we've made: <https://youtu.be/KDgm8KpXAXE>

The holiday programmes are open to children of any age and are free for children eligible for free school meals. They will:

- Provide a safe and supportive environment for children
- Be led by experienced local coordinators teaming up with a range of different partners in their communities
- Serve children tasty and nutritious food and opportunities to learn about food and nutrition
- Organise lots of activities so every child can find something they enjoy - from Kung Fu and cooking to bushcraft.
- Keep children and young people happy, healthy and active
- Offer a flexible childcare option for busy parents

You can find out exactly what's available in your local area either by visiting your council's website or by searching online for HAF (that stands for Holiday Activity and Food).

Join the My School Fund initiative to help boost our budget

We're pleased to announce that All Saints' is part the My School Fund initiative. This innovative scheme allows us to boost our school's budget with your help.

How does it work?

Parents, guardians and carers can sign up to the scheme for free and start earning cashback on the things they buy in participating retail stores, including Sainsbury's and Argos. As you spend you'll receive 2% cashback in the form of eGift vouchers that can be redeemed in participating stores. By adding a credit/debit card and linking your spend to our school on the My School Fund website we'll also earn 1% cashback on your spend.

Add that all up across our school's network of families and together we can all make a big difference!

How to get involved

Visit myschoolfund.org to register for free, link to All Saints' CE Junior School and add your credit/debit card. From there, everything you spend in participating stores will go towards helping boost our budget, plus your own! Sign up today at myschoolfund.org

Adding a credit/debit card

Once you have registered you will be asked to link a card to your My School Fund account. This information is protected using bank level encryption. The site does not ask you to provide any card information that will allow anyone to make a payment on your card - i.e. it does not ask for the card security code (CVC or CVV). More information about data protection and security is available in the FAQs section of the My School Fund website when you are logged in to your account.

Transforming Communities Together Development Free Frozen Food Hamper

There will be another summer holiday frozen food hamper drop for families eligible for free school meals from All Saints church carpark as usual at the end of term. If you would like to book a hamper please let the school office know by 14th July.

The hampers will contain 6 frozen pork and beef butchery items (e.g. sausages, burgers, joint, strips, diced, mince) and a fresh veg bag. Each item will come with a short cooking video accessed through a QR code to help you to cook a healthy nutritious meal with each item.

We'll also be providing an activity bag for each child with the hampers so would appreciate numbers of children per household.

We are also planning a September hamper drop to help parents through the expensive back to school period. We are planning this Wednesday 8th and Thursday 9th September, more details will be given nearer the time.

Summer holidays activities and resources from your school nurse team

With the summer holidays fast approaching, we've got two great resources to share with families:

Summer Holiday Booklet

Link: www.compass-uk.org/summer-holiday-booklet/

Contains health & wellbeing advice, safety information, fun activities and resources aimed to help families keep healthy, safe and entertained over the summer holidays.

Outdoor Activities for Warwickshire

Link: www.compass-uk.org/warwickshire-outdoor-activities

Created in partnership with Warwickshire Wildlife Trust, this booklet is packed with free activities to help families enjoy the outdoors, as well as information on local sites to visit.

Warwickshire Museums Holiday Activities

Keep the kids busy this summer with activities from Heritage and Culture Warwickshire.

Take part in STEM Healey car themed events, learn circus skills, enjoy outdoor theatre, go fossil hunting and leap way back in time to the Stone Age. Details on activities and booking information can be found here <https://heritage.warwickshire.gov.uk/whats/holiday-family-activities>

School Uniform Recycling Scheme

Do you have uniform (for local schools) that you no longer need? Why not donate your old uniforms and help others?

We can accept the following items which must be in good condition and can be school branded or not

- Blazers
- Jumpers
- Trousers
- Skirts
- PE kit items
- School branded shirts (we cannot take plain shirts)

We can also accept donations of new school uniforms. If you can afford to help a family out and buy an extra piece of uniform when for your own children we will be happy to accept it.

All items will be professionally cleaned by Leamington Launderette before being re-distributed

If you or someone you know is struggling to buy uniform please get in touch with us on 01926 422123

There is no judgement and we will support you in confidence.

All donations can be dropped off to us at Brunswick Hub or at Leamington Launderette and OneStop cleaners in Leamington Spa

Calling all Wild World Heroes!

Warwickshire Libraries invite you to take part in this year's Summer Reading Challenge

Saturday 10th July - Saturday 4th September

For children 4-11 years old

Set a reading goal and borrow and read our exciting library books this summer. Visit your local Library to get started! You'll get a collector's wallet to record your Summer Reading Journey.

Fill in review sheets and drop them back at your library when you are choosing more books! Collect fun activity sheets from your local library to complete at home.

Wild World Heroes that successfully complete the challenge will receive a certificate and medal!

The Summer Reading Challenge is co-ordinated by The Reading Agency who work in partnership with libraries across the country. This year The Reading Agency has partnered with WWF to create Wild World Heroes which will inspire children to take action for nature and the environment. Head over to summerreadingchallenge.org.uk to find more information. Find out more information about your local library and what is happening this summer at warwickshire.gov.uk/libraries

Your local library is Warwick

We are open 8am - 5.30pm Monday - Thursday, 8am - 5pm Friday, and 9am - 4pm Saturday
