

Friday 21st June 2019

The Reception Round-

Some of the lovely things we have been learning this week: Using coins to make amounts, making patterns with compare bears and exploring capacity with porridge as part of our Goldilocks topic.

Some of the things that children might experience next week...

Continuing our topic on Traditional Tales, by exploring the different ways we can tell stories such as with storymaps and dice.

Plus we'll be exploring counting in 10s!

How you can help your child at home:

As next week it is transition day, it would be great if you could talk about the move from Reception from Year 1 with your child and see if they have any worries, concerns or things they're really excited about so they can start thinking about the move.

What's going on this week/notices/information:

A quick reminder about the trip to the Cotswolds Wildlife Park tomorrow and to please ensure your child is suitably dressed.

Next week on Thursday 27th June, it's transition day with all Reception children spending the day in the classroom and with the teacher they'll have next year.

On Friday the 28th June it's Willow class' sharing assembly
