Message from Mr Queralt

Dear Parents/Carers,

I would like to begin by saying a huge well done to all the children, parents and staff for such a successful first half term back at school. We really appreciate everyone's effort with staying safe, wearing masks and arriving on time at the school gates. Please continue to be vigilant over half term so we can all return safely and keep school open again.

I have been particularly impressed with all the achievement awards and Mathematics certificates that I have been busy handing out during class assemblies. It's wonderful to see the children progressing so well in just a matter of weeks.

This week we have enjoyed speaking to parents during their Zoom meetings and would like to thank everyone for all their patience with regards any technical issues. Thank you for all your feedback and for completing the questionnaire too. If you have any queries or concerns throughout the rest of the school year please remember that you can reach out to us at any time.

We hope you all have a relaxing break over the half term. Please remember to stay safe and we look forward to welcoming everyone back on Tuesday 3rd November.

Yours sincerely,

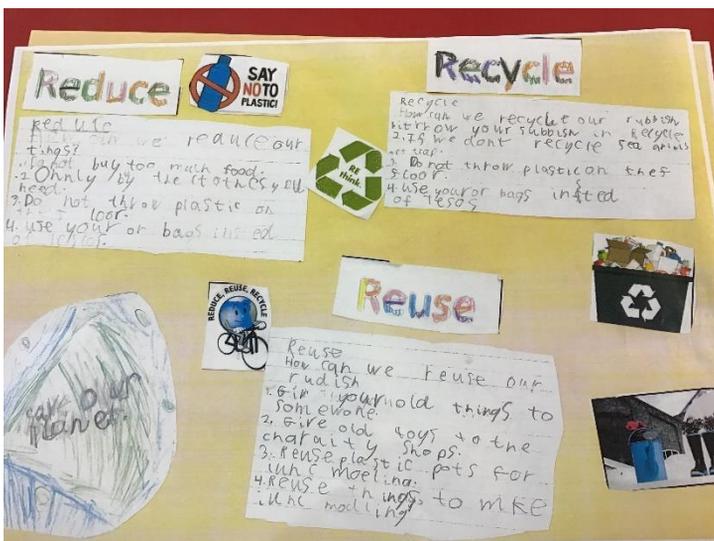

Mr Queralt

Hot Lunches

We are pleased to say that with the winter months approaching, we will be able to offer the children a hot lunch menu starting from 3rd November. These will be served in compostable lunch boxes so that we are making every effort to remain as environmentally friendly as possible. Deli bags will no longer be an option, although children are still welcome to bring in their own packed lunch if they prefer. Please check your emails for a copy of the new menu and our special Bonfire/Guy Fawkes menu available on 5th November.

Thank you to Tesco!

We would like to extend our thanks to our local Tesco for providing lots of hot chocolate and biscuits as a treat for all classes and for reception year's Wonderful Wellies which starts after half term. They have also donated lots of harvest foods this week and year 2 have been busy tasting a healthy range of soups. Year 2 have also taken part in a Halloween Colouring Competition supported by Tesco. Winners are to be announced in our assembly this afternoon.

Clothing for wet weather

Please ensure your child comes in with a named, waterproof coat every day as well as a pair of wellies to keep in school. We do encourage the grassy area to be used throughout the year, especially as we like to visit our resident chickens and shoes can get quite muddy!

Kissing It Better – Pet Photography Competition

A Warwickshire-based charity has launched a children's photo competition to help bring cheer to isolated older people in hospitals and care homes over the winter months. Kissing it Better, which works to bring old and young people together by creating healthcare projects, has launched the competition to find 'the funniest, most adorable snaps of family pets'.

These pictures will then be turned into cards and delivered to older people in care settings in the area. The competition is open to children aged seven to 10 years old. To submit an entry, people should take a 'cute or funny' portrait photo of your pet, with a one line caption that they think would make older people smile. Participants are being asked to avoid the phrase 'get well soon' for the captions. Photos should then be emailed as a JPEG to caty@kibmail.co.uk with the name, age and school. In the subject line of the email people should put 'Pet Photography Competition.'

The closing date is midday on October 30. Winners will receive Pets at Home gift vouchers.
