

Emscote Express

Issue 12, 19th March 2021

Dear Parents/Carers,

It has been a pleasure to welcome all the children back again and we have been really impressed with how well they have all settled into their school routine. Their return to learning, playing together and friendships has been such a positive one. We are aware the children will have missed face-to-face interaction with their teachers and peers during lockdown and urge parents to keep in touch if they have any worries or anxieties about the children being back at school. To help with this, we recently sent out an email informing parents that we are working with a team of researchers at the University of Oxford on a research project called MY-CATS. The MY-CATS team are testing out a new way of identifying and supporting young children who might benefit from help to build confidence and reduce the chance of problems with anxiety, now and in the future.

We are inviting all parents/carers of children in Reception, Year 1 and Year 2 classes to take part. For more information, please read below in the newsletter as we would like as many families as possible to be involved.

Once again, thank you for your continued support.

Yours sincerely,

Mr Queralt

Let's Count Day!

To help mark Census Day, we will be holding a "Let's Count Day" in school on **Monday 22nd March**. We have lots of counting activities planned for the children on the day and would also like to invite the children to dress up along the theme of numbers and counting. Some ideas might be:

- An age birthday badge
- A t shirt with a paper number or playing cards pinned on
- An old t shirt decorated with number sentences/dice/spots or objects that could be counted
- Wear black and white and dress as a domino

To further support our 'Let's Count Day', please encourage your child/ren to count things as part of their daily routine, around the house or on their way to school. You are welcome to send in any drawings or photos of your child's counting to admin2332@welearn365.com so that we can share your work in assembly and on our school website.

A Celebration Of Kindness and Community Spirit

Four new trees have been planted outside Emscote Infant School as a reminder of the many acts of kindness and community spirit that have helped us all throughout the Pandemic.

CENSUS PURPOSE: WHAT'S IT FOR?

The **Census** is a compulsory survey of all households in England & Wales every 10 years. Everyone needs to be included whatever your status or circumstances. That's every 10 years since 1801 (apart from 1941) and the data informs planning for future services and meeting needs.

The **Census** helps when unravelling the past – historians and people researching their heritage and roots use information from past censuses.

Census 2021 is organized and delivered by **The Office for National Statistics** and is independent from the Government.

CENSUS PROCESS: WHAT DO I NEED TO DO?

All households (including residential and care homes, hostels and refuges) will receive a letter with information on **Census 2021** and your unique code number. You will have got this by now

You can fill in your form online or on paper from 1st March. Most people will fill it in online www.census.gov.uk and many will have paper-copies delivered.

Census 2021 Day is Sunday 21st March – that day becomes a snapshot of society. Census data is the basis of funding for local councils and planning for community needs such as schools and transport. Remember, the census data that you submit is anonymous (names are released after 100 years).

You must fill in your household census, but you do not need to answer all of the questions. You can also request a paper copy. You can also get a separate form from the rest of your household if you want to keep any personal information about yourself private

Starting on the **22nd March** a team of 220 people will be working across the entire District, they will be knocking on doors and offering to help anyone who has not yet completed **Census 2021**. This work will continue until the **28th April** when **Census 2021** closes.

Fill in your **Census form** at www.census.gov.uk

Call **0800 141 2021** to find out when your local Support Centres are open, tell the Census people you want a paper copy, or to get one privately (they will send it to you in a plain envelope).

NEW QUESTIONS... NEW TIMES

Each Census reflects changes in our society, these were all new questions in:

- 1971 – Is there a car or van in the household?
- 2001 – What is your religion?
- 2021 – What is your sexual orientation?
- 2021 – What is your gender identity?

BIG CENSUS QUESTIONS

1. What religion had 6,242 followers in 2011?
2. What's to stop them selling all my family information?
3. When did the Census first ask people about their race and ethnicity?
4. A friend of mine needs **HELP & SUPPORT** to fill in their form – can they speak with a real person?
5. How many Females were born overseas in the 1861 Census?

We are offering a series of facilitator led workshops

CASP: Children's Autism Support Programme for parents/carers of children aged 4-12

TASP: Teenage Autism Support Programme for parents/carers of children aged 13-18

The workshops are fully-funded and comprise of 4 x 3-hour sessions over a 4-week period facilitated by autism professionals who are also parents.

FREE SCHOOL MEAL ENTITLEMENT AND PUPIL PREMIUM REGISTRATION

Due to the current situation with COVID-19, we are aware that Parent and Carer's circumstances may have changed. Depending on your family/household income, your child may be eligible for **Free School Meals**. All children in Infant School receive a free hot meal at lunch-time, but this is a separate entitlement.

If your child qualifies for Free School Meals they will also receive **Pupil Premium funding**. This entitles your child to free or subsidised school trips, music lessons, school uniform and help to access after school clubs. Registering children for Free School Meals and subsequently Pupil Premium also enables the school to claim additional funding to improve resources for your child in school.

If you can answer yes to any of the following questions you may be eligible:

- Is your joint family **income** under £16,190 per year?
- Are you in receipt of any of the **benefits** listed below?
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support from NASS (National Asylum Support Service) under part 6 of the Immigration and Asylum Act 1999
- the guarantee element of State Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on
- Universal Credit.
- Are you or your partner a member of the **Armed Forces**?

All reception, year 1 and year 2 children in state-funded schools can have a free hot meal at lunchtime. This is known as 'Universal Entitlement'. If you think you are eligible for any of the criteria above we recommend that you still apply. This will mean that your child's school does not miss out on important funding. **It may also mean your child will continue to receive free meals after the end of year 2.**

If you think you are eligible then you can apply online at

<https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>
