

All Saints' CE Junior School Newsletter

April 2024

Dear Parents and Carers,

Thanks to all who attended our learning afternoons last week, we hope that you enjoyed seeing the range of work on show and taking part in the activities. A reminder to Y6 parents that there will be a learning afternoon after SATs have taken place; information on this will follow.

Exciting News

We are delighted to share the news that Mrs Uppal and her husband have welcomed a gorgeous baby boy into the world. He arrived earlier than expected but has made remarkable progress and is now at home with mum and dad. We're sure that you'll join us in wishing them huge congratulations and all the very best as they settle into life as a family. We can't wait to meet him in school and Mrs Uppal will undoubtedly come for a visit as soon as she is able.

Kind regards,

Mrs Sandra Sutherland

Each class includes a great take-home item, to continue their learning at home.

EXCITING MATHS CLUB **NOW AT YOUR SCHOOL!**

SPAGHETTIMATHS.CO.UK

Coding Club

We currently have vacancies in Coding Club which takes place on Wednesday's after school. Please visit www.innovationpod.co.uk to book or scan the QR code opposite.

Railway Safety

Due to increasing incidents of trespass on the railway we would like to share with you **FREE** 15 minute safety video with you. *'The tragic death of Harrison in 2017, when he was in Year 7 at Guilsborough Academy, brought home to our community the importance of teaching our children about safety on the railways. Schools play a vital role in keeping our children safe.'* -

Simon Frazer, Principal at Guilsborough Academy.

Year 6 Trip to Coventry Cathedral

At the beginning of April, Year 6 went on an educational visit to Coventry Cathedral to link in with our World War 2 learning in history and in particular, the aspect of Peace, Conflict and Reconciliation. The children have been learning about the effects of the war in both England and Germany and how after the war the cities of Coventry and Dresden reconciled and since then, schools in both cities became ICON schools (International Cross of Nails). The children had a guided tour of both the ruins and the new cathedral and in the afternoon were able to take part in some art activities in the cathedral surroundings.

CODING CLUB

“ Every child born this century should learn to code! ”
- Bill Gates

ESSENTIAL SKILLS FOR YOUR FUTURE

LIMITED PLACES

Innovation Pod will be running its award-winning Coding Club at All Saints.

YEARS 3 - 6 WEDNESDAY

Children in KS2 will be studying our thrilling Virtual Reality and Machine Learning modules.

Children in KS2 will be studying our thrilling Virtual Reality and Machine Learning modules. In our 'Virtual Reality' module, children design and build worlds which they code to be interactive with the user. This Machine Learning module uses the free online resource Machine Learning for Kids in combination with the Scratch coding platform to provide children with hands-on experience for training machine learning systems (AI) and building things with them. This module provides guided lessons to learn about training machine learning models to recognise text, numbers, images, or sounds, and how these can be put into everyday use.

Sign up using this link: <https://www.innovationpod.co.uk/signupv2>

Classes will start straight after school and finish at 4:30pm. Clubs cost £6.60 (inc. VAT) per session. Payment is for the full term via a one-off Direct Debit. This is NOT a recurring payment.

Clubs will begin on w/c 15th April till w/c 1st July excluding half term.

Follow us on any of our social media platforms to see our lessons in action: [@InnovationPodUK](https://twitter.com/InnovationPodUK) [@InnovationPod](https://www.facebook.com/InnovationPod) [@InnovationPod](https://www.instagram.com/InnovationPod)

WELLBEING RESOURCE OF THE YEAR 2023
EDUCATION TODAY AWARDS

16 CELEBRATING 16 YEARS OF ROCKSTEADY

THE BEST LESSONS DON'T JUST TEACH, THEY INSPIRE.

LEARNING AN INSTRUMENT SHOULD BE FUN

Your child could learn either vocals, electric guitar, bass guitar, keyboard or drums in their own band. They'll become either a Mini Rocker (Reception to Year 2), Rock Hero (Year 3 and 4), or a Rock Icon (Year 5 to 6).

Lessons take place in school time and all instruments are provided.

FROM FIRST NOTES TO FAVOURITE SONGS

Weekly lessons are a great opportunity for your child to learn the songs they love, develop friendships and have fun! Lessons boost confidence, wellbeing and even academic achievement.

No prior experience necessary.

LED BY REAL MUSICIANS

Rocksteady band leaders are carefully chosen, extensively trained musicians, who know how to inspire a life-long love of music.

Your child will learn up to 300 musical skills and work at their own pace towards one of our 'Music Performance in Bands' qualifications.

WITH REGULAR PERFORMANCES

Your child will show off their progress at their end of term concert to friends, teachers and parents.

You'll also get regular updates through your Parent Timeline.

FUN AND HASSLE FREE

Rocksteady in-school band lessons are fun for children, hassle free for parents and come with lots of extras included for £40.79 per month (no payment in August).

Money back guarantee for the first month and you can cancel at any time.

Book your child's place online today to start lessons in January! rocksteadymusicschool.com
