October 2020

Dear Parents and Carers,

The weather has definitely turned more autumnal of late and if you haven't done so already, please make sure that your children have a change of shoes or wellies in school for playing on the field. This applies particularly to years 3, 4 and 5 who use the field at break and lunchtime.

This term, we will be holding virtual parents evening meetings. The office will allocate appointments and details will be sent out to you, along with the relevant zoom link. I'm sure you will appreciate that this is quite a logistical exercise for the office so please be aware that appointments will be sent out over a period of a few days this week.

Take Heart: Collective Worship Resource

In our class Collective Worship assemblies we are using **Take Heart** - a resource produced Coventry Diocese and Coventry Diocesan Board of Education. It is designed to help children cope with the new normal, following the Coronavirus Pandemic, with **courage, compassion and creativity**.

In the Bible, John 16:33 Jesus said, 'But take heart! I have overcome the world'. As a church school, we want to share the Christian hope that despite facing problems, God can help us through by sharing experiences and showing love to and for each other. This is about helping adults and children appreciate the relevance of faith in today's world. The stories and discussions aim to be Inspiring, Invitational and Inclusive. Each week we will send home a 'Talk homework' activity in the form of some thought provoking questions - this is entirely voluntary and up to each family how it is used. We hope your children find this resource helpful.

Year 3 Update

Year 3 have settled into All Saints' brilliantly and have been working very hard in all their lessons. They've been working particularly hard in their English lessons and have been writing interesting and exciting sentences about our class reading book 'The Flood'. In history we have been learning about Lucy (the 3.2 million year old fossil) and how we have evolved. In our Science lessons we have been learning about fossil formation, looking at rocks and have carried out our own investigations - we particularly enjoyed looking at soil using magnifying glasses! Messy work!

Year 4 Update

As a year group, we have been writing and making our books. We have been choosing dilemmas and think of resolutions for our stories. We also took inspiration from the outside to gather some great vocabulary.

In Year 5 we have been looking at using our maths knowledge of \times and \div by 10, 100 and 1000 to convert measurements into mm, cm and km.

Mrs Shahs group have been using their place value knowledge, multiple and factors while Mr Jacobs class went on a 1km walk around the playground.

In maths we went outside. The children tried to step 1mm, 1cm, 1m and then walk 1km. We worked out we would need to do 11 laps of the netball pitch and then walk 10 more meters.

After each lap of either walking, running or skipping the children

were given questions to answer about converting between amounts.

They were then set questions to work out on their next lap.

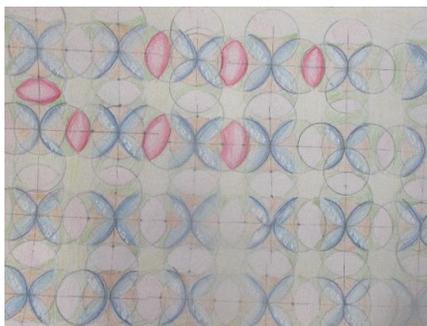

In other subjects we have been investigating how materials change both reversibly and irreversibly, and in topic we have been looking at what makes a successful island including what human and physical properties we need. We have then used this to design our own islands.

Year 6 Update

In Year 6, our topic this half term is *The Early Islamic Civilisation*.

Last week, we focused on an Islamic form of Art: **Geometric patterns**. This involved using a compass to repeat a pattern of overlapping circles. We needed a large amount of perseverance for this but Miss Cherry was really impressed with the level of resilience most of us applied in order to master this skill.

Let's do the right thing for Warwickshire

It is important that parents and carers please wear face coverings at the school gates if you are able to.

Please also remember to keep a safe social distance of at least 2 metres at the school gates.

Please also let the school know if your child is showing signs of Covid19 symptoms. It is important we follow this advice to eradicate new cases and stop the spread.

October Action - Holiday Club at Warwick School

We are very happy to announce that bookings for October Action 2020 will be going live on Thursday 1st October. A further communication will be sent out later on to advise you when the booking link is active. In advance of this, we would recommend that you read through the below information to see what we have on offer and familiarise yourself with the changes we have made to the programme.

October Action 2020

Course	School Year	Time	Dates	Cost
Cygnets Multi-Activities	Reception and Year 1	9.00am - 16.30pm	Tuesday 20th to Thursday 22nd October (3 days) Monday 26th to Thursday 29th October (4 days)	£96 £128
'Super Six' Activities	Years 2 to 7 (up to and including 12 year olds)	9.00am - 16.30pm	Monday 19th to Friday 23rd October (5 days) Monday 26th to Friday 30th October (5 days)	£160 £16

PLEASE NOTE:

- To help reduce the number of different children within each group, and thus minimise the risk of cross infection, we are only able to accept bookings for the full duration of the week's course. Unfortunately we are still not able to offer individual day bookings.
- We have again had to limit the number of places available in order to ensure Government guidelines regarding social distancing are met. Places are available on a 'first come, first served' basis.
- Once courses are fully booked, you can email Adrian Bevan at A.Bevan@warwickschools.co.uk if you would like to be added to the waiting list.

Please also note: when making a booking, please be aware that the course will be displayed as a single line item on the booking page. If you click SELECT then it will allow you to book the full block at the listed price, which will include all of the stated days.

As previously mentioned, a further email communication will be sent to you later today as soon as the dates are live and available for you to book.

We look forward to seeing you!
