

The Reception Round-up!

Some of the lovely things we have been learning this week:

We have been learning all about Harvest and making crafts, exploring vegetables and weighing them. We made our teachers so proud, singing and behaving exceptionally during our first Church Service!

Some of the things that children might experience after half term:

We will be thinking about Bonfire night. We will be creating name rockets, designing our own night skies and creating some fabulous fireworks!

Half-term challenge:

During this half term we would like you to go out and about and enjoy the sights, smells and sounds of Autumn. We are providing the children with an 'Autumn Treasures' paper bag to collect their items in and details printed on the bag. Have fun and we'd love to see a few photos too! 😊

Sounds we have learned this week:

Sounds we will be learning next week:

What's going on this week/notices/information:

Toast – As you say goodbye on a Monday morning, please give your child their £1 coin to hand directly to our TAs on the gate (or in a named envelope) Scallywag children can have it in their bag and we will help them get it out. If you forget £1 on a Monday, you can send 80p in on a Tuesday but Tuesdays are the absolute deadline!

Thank you all very much for all your support this half term. The children have done so well. We hope you all have a very well deserved rest over half term. Please continue to read your books and practise your word walls and look around you, wherever you may be, and see what sounds and numbers you can spot in the environment!

Don't forget we have a teacher training day on Monday 4th November so we look forward to welcoming you back to school on **Tuesday 5th October**. 😊
