

Weekly Topic Tasks for Year 2

As a revision of our current topic, this week we would like you to make your own fact files about each planet in our solar system. Each fact file can include a drawing, two interesting facts and a question that you would like to research further.

| | |
|------------------|---|
| Monday | Watch and enjoy this video clip: https://www.youtube.com/watch?v=FTQKy19e2OQ Discuss and plan how you are going to set out your fact files for each planet and today, start with an introduction to the solar system. |
| Tuesday | Today your fact files can be about Mercury and Venus. |
| Wednesday | Earth and Mars can be your focus planets today. |

| | |
|-----------------|---|
| Thursday | Today's learning can be about Jupiter and Saturn. |
| Friday | Finally, Uranus and Neptune can complete your fact file research. |

If you would like to extend your learning further, you could collate your fact files into a non-fiction book.
