

# *Emscote Express*

*Issue 19, 21<sup>st</sup> July 2021*

Dear Parents and Carers,

We have made it!

Firstly, Thank you to all of the hard working staff, parents and children for making this year so successful under very difficult circumstances. There has been very challenging times that have tested us all on many levels, but we have made it successfully through another year, working as a community, looking after each other.

For the children at Emscote we have tried to retain as many of the fun end of year activities as normal, but without parents. I know that not attending these events has been hard. To this end we have tried to include lots of photos to give you a feel of how the last few weeks have been in school, from an ice cream van, Olympian Zooming in from Japan 2020, to the superb summer fayre organised by the PTA. Please check our school website for more photo updates too.

Looking forward to September, there will obviously be some changes in procedures following updates in government guidance. We plan to send confirmation of changes to you over Thurs/Fri 2nd/3rd September when we return for INSET days. This information will therefore reflect the most up-to-date government guidance at the time. So please don't worry if you don't have information about start times and entrances before the summer - we don't want to make plans which then have to change at the last minute. We've all done enough of that this year! We will keep you posted.

Please remember, it is imperative that we are able to inform other parents if a child falls ill with symptoms and needs to be tested. In terms of tracing we need to know if any child has symptoms and is being tested **up to midnight on Friday 23<sup>th</sup> July**. Please text the Federation Covid phone **07732 387372** with any new symptoms or positive results.

And finally, we wish the children in Year 2 well in their next stage of life, we have had the enjoyment of seeing them grow in confidence, knowledge and in having the right mind-set to tackle life's challenges. I'd also like to thank the parents for everything they have done for us and the support they have given us over the past three years.

Yours sincerely,

Mr Queralt

## Farewell

It's that time of year when we have to say goodbye to some members of staff. We want to say a massive thank you to them all for all their hard work here at Emscote.

Ms Pascual Tomas will be joining us at All Saints' Junior School to begin her teacher training, Miss Hammond who will be beginning her teaching career and Miss Bayliss has taken up another teaching assistant post nearer to home.

We are sad to announce that Mr Clarke, our much loved caretaker at both Emscote and All Saints will be retiring at the end of this term. We will miss his amazing hard work, his jokes, support and range of incredible wigs and hats! He has kindly offered to come in and help in the near future – we can't wait!

## Summer Fayre's 2021

## Assembly with British Equestrian Team

Children from Emscote Infant's School and All Saints' C of E Junior School in Warwick were joined for an assembly from Japan by the British Equestrian Team. Gareth Hughes, making his debut in an Olympics, was joined by Gold medallists Charlotte DeJardin and Carl Hester to share their experiences of the games so far, they also answered many of the children's questions. We were given a guided tour of the stables, met the horses 'Pumpkin' and 'Piglet' who were being prepared by having their nails painted! Sophie Edwards, Programme Manager, shared with us how the horses and riders got to Tokyo, no easy logistical task. The children enjoyed meeting the athletes and horses. We will be watching our British riders over the next few weeks. Come on Team GB!

**HAVE YOUR SAY!**

Ahead of the summer holidays, we wanted to let you know about the brilliant new Holiday Activities and Food programme which is operating in your local area. We are helping to launch a new film to promote the programme so parents know that their children can get involved in a local holiday club when the school term ends this July.

We know that the holidays can be a really difficult time for families who are struggling to make ends meet or who are juggling work and childcare. The holidays should be a time for every child to enjoy themselves rather than worrying about having enough to eat or how they can spend their free time.

That's why we're really excited about the summer holiday programmes that are being funded by the Government and will take place across the whole of England. This was recommended by the National Food Strategy when it was published last year. A petition supporting the recommendation was signed by over 1 million people.

Places on the holiday schemes are available for free to children who receive free school meals, but children and young people of all ages and backgrounds are welcome to attend. Each local programme will provide delicious, healthy meals, allow kids to get active, help them learn new things, make friends and have fun. And that is what the holidays are all about!

You can find out more by watching this new film that we've made:

<https://youtu.be/KDgm8KpXAXE>

The holiday programmes are open to children of any age and are free for children eligible for free school meals. They will:

Provide a safe and supportive environment for children

Be led by experienced local coordinators teaming up with a range of different partners in their communities

Serve children tasty and nutritious food and opportunities to learn about food and nutrition

Organise lots of activities so every child can find something they enjoy - from Kung Fu and cooking to bushcraft.

Keep children and young people happy, healthy and active

Offer a flexible childcare option for busy parents

You can find out exactly what's available in your local area either by visiting your council's website or by searching online for HAF (that stands for Holiday Activity and Food).

# FREE SCHOOL MEAL ENTITLEMENT AND PUPIL PREMIUM REGISTRATION

Due to the current situation with COVID-19, we are aware that Parent and Carer's circumstances may have changed. Depending on your family/household income, your child may be eligible for **Free School Meals**. All children in Infant School receive a free hot meal at lunch-time, but this is a separate entitlement.

If your child qualifies for Free School Meals they will also receive **Pupil Premium funding**. This entitles your child to free or subsidised school trips, music lessons, school uniform and help to access after school clubs. Registering children for Free School Meals and subsequently Pupil Premium also enables the school to claim additional funding to improve resources for your child in school.

If you can answer yes to any of the following questions you may be eligible:

- Is your joint family **income** under £16,190 per year?
- Are you in receipt of any of the **benefits** listed below?
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support from NASS (National Asylum Support Service) under part 6 of the Immigration and Asylum Act 1999
- the guarantee element of State Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on
- Universal Credit.
- Are you or your partner a member of the **Armed Forces**?

All reception, year 1 and year 2 children in state-funded schools can have a free hot meal at lunchtime. This is known as 'Universal Entitlement'. If you think you are eligible for any of the criteria above we recommend that you still apply. This will mean that your child's school does not miss out on important funding. **It may also mean your child will continue to receive free meals after the end of year 2.**

If you think you are eligible then you can apply online at
