

Welcome to Emscote Infant School

At 8.45am Mr Queralt will greet you on the gate, you say goodbye to your grown ups and join your friends on the playground.

You line up with your class and then come through the reception gate when the bell goes.

Here's where you hang up your coats.

If you bring a lunch box from home,
you put it here on the lunch trolley.

You might want to
say "Good morning"
to our fish!

You put your book bag in your colour group box. You will know which one is yours by looking at the coloured ribbon. This is Green groups box.

You put your water bottle on a coloured mat at the drinking station.

This is Willow Class.

You will be given your own carpet space. I wonder which mini beast you will be sitting on!

In the mornings we have toast in our classroom.

At lunch we eat in the hall with all of our friends.

These are Willow and Cherry class toilets.

At break time we play on the playground.

There are lots of fun areas for you to explore during activity time.
