

Friday 28th June 2019

The Reception Round-

Some of the lovely things we have been learning this week:

We have been busy counting in 10s...

Some of the things that children might experience next week...

Continuing our topic on Traditional Tales, by beginning to look at the story of Little Red Riding Hood.

Making tea for Grandma with tea leaves!

How you can help your child at home:

As it is our sports day next week you could have a practise of some of the events at home! For example, throwing a ball into hoop, throwing and catching a ball, kicking a ball into a net, hopping, jumping and of course, a straight forward running race!

What's going on this week/notices/information:

Saturday the 29th is the **Summer Fayre** at Emscote School from **12-2pm**. Reception children are busy cooking up a storm! Come and see us all on Saturday for a fun filled afternoon!

Tuesday 2nd July is our Annual Sports day, held at All Saints Junior school. Arrive at All Saints at 9.30am if you would like to come and watch your child. After all the events we will walk back to Emscote ready for a picnic on the playground! ☺ All of this is of course weather permitting so please look out for a text alert if the weather changes.
