

# The Reception Round-up!

## Some of the lovely things we have been learning this week:

This week the children enjoyed the story of 'The Tiger Who Came to Tea'. They have sequenced the story and had a go at sequencing other things such as making their cheese sandwich!

## Some of the things that children might experience after half term:

Very exciting news that our 'Living Eggs' arrive on the first Monday back after half term! The children will get to watch them hatch, grow a little and then get the chance to hold them too, if they like! Our work will be based around the chicks for the first week.

## How you can help your child at home:

The **pink books** have got off to an excellent start! Thank you and well done! Remember if your child is able to read the words, you may start helping them learn to spell them. Please do this on a separate piece of paper and only the staff are to write in these books please. If your child is given new words, please keep re-capping their older words too, so they don't forget them! Eventually they could have a go at writing a sentence using one!

Sounds we have learned this week:

## What's going on this week/notices/information:

- Please make a note of your child's new day for Wonderful Wellies after half term. Please make sure that they have their wellies with them on this day. Thank you so much.
- Our new Eco project is to collect crisp packets (including the outer wrap of a 6 pack) and large packets, etc. This is our link with Sierra Leone and we are all collecting plastic to make Eco bricks with. Look out for the special 'crisps bin' on the playground!
- Thursday 5<sup>th</sup> March is World Book Day and the children are invited to dress up as their favourite book character or wear non-uniform. Can they bring in their favourite book too please?
- Well done everyone for a super half of term. Have a wonderful holiday! ☺
