Starting School Calendar

| Date | Activity/Event |
|---|--|
| Monday 21st June | You will receive an email from us with a <u>lot</u> of information: -All the forms we usually give out. (If you need paper copies, please email and we can post these to you). |
| Wednesday 7th July | Transition Day visits to school. Due to current Government guidance, we will need to decide closer to the time our arrangements for this visit. We will inform you by email as soon as we can. |
| Wednesday 28th June, 6pm | ‘Chatter Matters’ via Zoom Mr Queralt will be inviting you all to a Virtual ‘Microsoft Teams’ meeting, where we will be outlining to you the importance of verbal communication and how we assess and support it in school. We will then email out to you a PowerPoint of speech and language games you can play with your child over the summer, which will be fun and could really benefit them too. |
| Summer Holidays | Reading and playing games Please share lots of books with your child over the Summer. It really helps them develop the skills to learn to read. Play games, take turns and allow them to lose! Work through the Speech and Language games that we give you via PowerPoint. |
| Week beginning 6th September | Virtual Home Visit Week. We will carry out Virtual home visits, via Zoom. These worked really successfully last year. Sometime during July, we will email out to you your day, time and Zoom link. It will last about 10 minutes and be very informal. |
| Week beginning 13th September | Starting School The children will be doing part time hours during this week, to give them an opportunity to settle in gently. Again, details of this will follow in July. |
