

Friday 17th June 2022

The Reception Round-up!

Fun in the sunshine this afternoon!

Maths:

Next week we will be learning about odd and even numbers. Please look out for them on your walks, for example house numbers.

Phonics:

We have been continuing to recap phase 2 and 3 sounds. Please continue lots of practice writing sentences encouraging your child to think of sentences that make sense.

Topic:

Next week we are moving our focus to Polar Animals. We have ice for them to explore in the tuff trays and lots of fun crafts for them to make.

Caterpillars

Our caterpillars are now in their cocoons! The children have enjoyed observing them change and develop this week. We hope to see them become butterflies and will then release them together.

What's going on this week/notices/information:

Summer fair: On Saturday 25th June we will be holding our Summer fair on All Saints field 12-2pm. We hope to see lots of you there. Next week the children will be making a craft which they can buy at the fair.

Hot weather: Please ensure your child has a hat and their water bottle in this hot weather. They are welcome to bring sun cream in their book bag to re-apply independently. Please ensure it is clearly named.

Class photos: These are being re-done next Friday as we weren't satisfied with the last ones!

Have a lovely weekend!
