

Friday 10th January

The Reception Round-up!

Some of the lovely things we have been learning this week:

Our new topic is 'Food, Glorious, Food' and it's got off to an exciting start reading 'Supertato'. The Evil pea got up to some mischief in class and the children all made their own Supertato to help the trapped vegetables.

The children have also made really beautiful 2020 calendars and loved sticking gems, buttons and beads all over them (I hope too many didn't fall off during their journey home!)

Some of the things that children might experience next week:

Next week the children will be learning about foods from around the world. On Friday they will be tasting some too!

Next Thursday we are having a Planetarium visit school for our Year 2 children's topic. Each Reception class will get a little session to sit inside an

Book club:

Book Club will start next Friday. If you would like your child to go to Book Club, please send 20p in an envelope with your child's name and **Book Club money** written on the front. Please remind your child that they pay towards the book over a few weeks and so will not get a book each time! It runs **most** Fridays but relies on one parent and if she can not come in, Book Club won't be on. If you are free on a Friday afternoon and would like to help that would be brilliant! Please let Mrs Fawbert know.

Notices and information:

Happy New Year! We hope you all had a wonderful Christmas!

During the week of 10th February, we are reading 'The Shopping List' by John Burningham. We will use our Wonderful Wellies session to walk each group of children to Tesco to collect the items on their list. We need two parents to come with us for each trip. If you are able to help please let us know.
