

# The Reception Round-up!

Some of the lovely things we have been learning this week: SO proud of everyone's hard work! 🌟🌟🌟🌟🌟

## Maths:

Next week we will be learning about doubling. We hope the children will gain a quick recall of doubling numbers to 10.

E.g. double 4 is 8.

## Phonics:

We have been continuing to recap phase 2 and 3 sounds.

Please continue lots of practice writing sentences encouraging your child to use their sounds and clear finger spaces.

## Topic:

Next week we are reading Julia Donaldson's 'Tyrannosaurus Drip'. We will focus on the rhyme and carry out lots of fun dinosaur themed activities!

## Caterpillars

We have some caterpillars that we will watch turn into beautiful butterflies! The children have really enjoyed looking at the caterpillars this week. They are growing big and strong, ready to form their cocoons.

## What's going on this week/notices/information:

**Transitions:** Mr Queralt's assembly this week was all about transitions - getting prepared to move up to the next year group and talking about how the Reception children won't be the youngest in the school soon and will have some responsibility for helping the younger children.

**Next Wednesday:** We will be taking the children to spend half an hour in each of the year 1 classrooms to do two art/craft activities. This will give them a feel for the Year 1 classrooms before their formal transition day on Wednesday 6<sup>th</sup> July.

You will find out which Year 1 class your child will be in on Wednesday 22<sup>nd</sup> June.

*Have a lovely, sunny weekend.*
