Associate Headteacher: Mr Jon Queralt

17th April 2020

Hi Year 2,

We hope you are all safe, happy and well.

We hope you have all been having fun and enjoying the sunshine- we certainly have! It has been fab-u-lous!

We have all been working in All Saint's school on certain days with some of the children whose parents are key workers so that's been a new experience and a nice opportunity to catch up with some of the other teachers.

Mrs Vallins has been enjoying catching up with many much needed gardening jobs and has taken full advantage of the opportunity to exercise daily- some days running 5km with William and Hattie and some days jumping around the living room with Joe Wicks!

Mrs Stephenson has also been busy exercising with Joe Wicks and going on walks with her children most days. She has been enjoying being in the garden and making dens with her youngest son Freddie.

Miss Letchford has really enjoyed slowing life down and having time to potter around the house and garden. She has managed to catch up on jobs she has been meaning to do for ages! She too has been on some great walks and bike rides in the beautiful weather and has loved having time to sit and read in the peaceful quiet!

Mrs Smith has tried hard to fit in some daily exercise with Joe Wicks to keep up a bit of fitness. Her and her family have been making the most of the 'activity hour' exploring their local area with family bicycle rides or walks. Mrs Smith has loved watching the trees come in to blossom.

We are looking forward to hearing all about the work you've been doing and, if there's anything you're struggling with, please let us know so we can help as best we can.

Take care everyone, stay home and stay safe,

love from

The Year Two Teachers
xxxx
