

All Saints' CE Junior School Newsletter

October 2023

Dear Parents and Carers,

We have all enjoyed getting to know your children and yourselves as they have been settling into their new classes. Thank you to all who attended our Harvest Service last week and for the contributions for the Food Bank. It was a lovely service and we hope you enjoyed it - aren't your children wonderful when singing together?

We look forward to welcoming you into school next week for your parents evening appointments and would be grateful if you could complete our parent questionnaire which will be sent to you during next week.

Can I please remind everyone about timings for the start of the school day. Doors open at **8.45am** - this enables children to enter school, sort out their bags and lockers and be ready in their seats to start learning for the official start of the school day which is **8.55am**. Children arriving later than 9am will unfortunately be marked as late on the register. We completely understand that traffic can sometimes be incredibly frustrating, but we do ask that you make every effort to get your children into school on time. Thank you.

Wishing you all a lovely half term break when it comes.

Kind regards, Mrs Sutherland

School governance: a unique chance to contribute to your schools and local community

All schools have a governing board which supports senior leadership in making sure schools are the best they can be. The governing board meets every half term to discuss strategic priorities across the schools, unpick challenges, celebrate successes, and look for opportunities for improvement. Governors also attend monitoring visits to stay close to what life is like for pupils and staff at both schools.

To ensure that the governing board is as effective as possible, we're on the hunt for new members (with skills in Education Experience, Facilities Management and experience of Governing in another school if possible). Our governors are a mix of parents, staff, and community leaders who are all passionate about working with the schools to raise standards, and ensure that every child who attends Emscote and All Saints can reach their full potential. If you're interested in joining us, or would like to find out more, please get in touch with the school office at admin3154@welearn365.com.
