May 2022

Dear Parents/Carers,

As you will see below, we have a very busy term ahead and we look forward to welcoming parents to join us for some of these events. It's wonderful to be having so many visits and visitors helping to bring learning to life once again. This week, Y6 children have completed their end of Key Stage tests - they have worked very hard all year and seemed to take all of the challenges in their stride this week. Many congratulations to them for their attitude and enthusiasm - many said they had loved their SATs week, though that might have been partly due to the breakfast club which provided a relaxed and sociable start to their days!

## Jubilee Celebrations and Bake Off Thursday 26th May

Children can come dressed in Red, White and Blue for our Jubilee Celebrations (No donation needed).

Parents are welcome to join us for a picnic lunch 12.30-13.30 on the field at All Saints Junior School. Children can either order a Jubilee picnic lunch from the school kitchen or they can bring a packed lunch from home. There will be no hot dinner option on that day. See menu below. All meals will need to be pre-ordered, form to follow. Please just bring a blanket and some picnic food along for yourself. Our current plans are dependent on the British weather and we will let you know if our plans need to change.

We will be holding a jubilee bake off run by the PTA and judged by the Mayor of Warwick. More details regarding categories and entries to follow next week. Please hand in any cakes to the office on the morning of Thursday 26<sup>th</sup> May – we look forward to seeing all your entries!

We will hold a cake sale after school in the playground so you'll have plenty of opportunity to sample the cakes. All donations will raise funds for the school PTA. If you are able to help sell cakes on the day, please let the school office know asap.

We hope you can join us for our Jubilee Celebrations!

## All Saints' Shakespeare Week

We recently celebrated Shakespeare's birthday (which is celebrated on the 23<sup>rd</sup> April). The whole school took part in activities learning about some of Shakespeare's plays and the man himself.

Year 4, Year 5 and Year 6 all took part in workshops ran by 'West End in Schools'. The workshops helped the children to explore Shakespeare's play of 'The Tempest' through drama and movement. The children were very creative with their acting and understood the play well. The feedback from West End in Schools was fantastic - we have a lot of budding Shakespeare fans and actors!

**Year 3:** In Year 3, children have been reading and learning about the play 'Romeo and Juliet'. The children have been learning about the play through drama and movement, creating tableaus and deciphering Shakespeare's language. Other activities have included creating cartoon strips of the play, writing diaries, ordering the story and listening/singing the Romeo and Juliet rap! The children seemed very impressed with Miss Snow's rendition of the 'Prince's' speech in Act 1, Scene 1.

**Year 4:** The children have been having lots of fun in Year 4, learning all about Shakespeare's play 'The Tempest'. They have been getting very creative with 'Whoosh!' drama activities, making finger puppets from the play, creating boats and sea soundscapes, as well as interpreting the text and writing character profiles.

**Year 5:** Year 5 have been learning all about 'A Midsummer Night's Dream'. The children have been practicing their drama skills through 'Whoosh!' activities and using 'Snappy Shakespeare' to act out the play - a tricky task, for those who know the plot. As well as drama, the children have also been creating their own cartoon strips of the play and have had fun translating Shakespeare's English into modern-day. The children finished the week by learning all about the mystery of Shakespeare's missing skull!

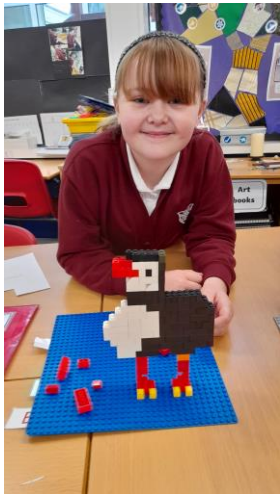

**Year 6:** Further up the school, Year 6 have been delving into Shakespeare's 'Macbeth' and have been having particular fun with the characters of the witches! Through 'Whoosh' and other drama activities,

the children have been getting to grips with Shakespeare's vocabulary and had a lot of fun using some Shakespearean insults! The children have also been learning about the play by sequencing the story and writing the play as a narrative. They have continued with the theme of Shakespeare within art, creating some fantastic pieces of art based on the witches.

### Kids with Bricks Lego Club

On Thursday Mrs Will is running Lego club. We compete with other schools by having a go at the 'weekly build.' Recently the weekly build was to build a puffin. Look how great Lily –Mae's puffin was! There are currently spaces if your child would like to join. To book please visit [www.kidswithbricks.com](http://www.kidswithbricks.com)

### British Science Week 2022

During British Science week, this year's theme was: Growth.

Year 6 discussed the theme of *Growth* and how it refers to how things change over time. We also talked about physical growth (e.g. the size of a living thing growing) but also growth as in the changes that happen in our world.

Activities we did: antibody and virus origami, growing salt crystals, spring onion growth experiment and KNEX STEM challenge

# The Cycle Show

A **My Fertility Matters** Day Workshop for girls (aged 10-12 years) and their mums/carers

Where: Kenilworth Methodist Church Hall, CV8 1LQ  
When: Saturday July 30th 2022  
Time: 9.30 am—3.30 pm  
Cost: £20.00 per child  
For information & booking, email: [teresa.castellino@mfmprojectuk.org](mailto:teresa.castellino@mfmprojectuk.org)

Using a range of activities, colourful materials, music, stories and games, learning about puberty, the menstrual cycle and how life begins is a positive, memorable and fun experience. In a sensitive and age appropriate manner, the children learn how unique and amazing their body is, thus developing their self-worth and body confidence. Having a shared experience like this with your child, will provide a wonderful basis for further important conversations to take place, well after the day is over.
