

The Reception Round-up!

Some of the lovely things we have been learning this week: SO proud of everyone's hard work! 🍌🍌🍌🍌🍌

Wow, the children had such a brilliant Thursday – eating pizza and visiting the ice cream van!

Topic:

We will be continuing with our topic of 'Changes', with a very exciting first focus of 'Chicks'! Living Eggs will deliver some chick eggs to us on the Inset Day, so when the children return they will get to opportunity to see them hatch, develop strength and during the second week back, can even hold a chick if they would like to. This is one of our favourite topics each year!

Phonics:

Sounds	
ur	ow

They will learn the **ur** and **ow** sounds. They will write words with them in and sentences too.

Red Nose Day:

It's still not too late to buy Red Noses in school – they are £1.50 each.

Maths:

After half term we will be learning about Number 9 and the number bonds to 9. Please practice with your child, them counting objects up to 9 accurately with 1:1 correspondence. They can move the objects as they count, to ensure they don't count them twice.

What's going on this week/notices/information:

Inset Day: A reminder that we have an Inset Day on Monday 28th February. So we look forward to welcoming the children back on Tuesday 1st March.

Phonics practice: In your child's book bag is a Phase 2 and 3 sound mat. We would like your child to practice recognising and writing these sounds (particularly the digraphs) as much as possible. Your child could also practice writing the digraph sounds in words, for example, **sh: shark, shop, shin, shut** etc. We have learnt all of Phase 2 and most of Phase 3 – we have not yet learnt **ur, ow, oi, ear, air, ure, er**. If you are worried that your child is finding it particularly tricky to recall the sounds then please do speak to us after half term!
