

Weekly Topic Tasks for Year 2 w/c Monday 15.6.20

Our topic, 'That's Incredible' continues with the theme of 'Incredible Places' and a **look at a country of your choice**. As a number of families in Year 2 come from different countries across the world it would be great to find out about these countries as well.

This website has some good ideas about making a travel brochure:

<https://www.funkidslive.com/learn/penguin-explorers/make-travel-brochure/#>.

There is also a link to 'Where in the World? Guides' that you might find useful.

Monday	<p><i>Each day we would like you to find out different information about your chosen country so that you can make a travel leaflet about it.</i></p> <p>Firstly, choose the country that you are going to investigate and find out where your country is and mark it on the world map you created last week.</p> <p><i>Here are the headings we'd like you to look at today...</i></p> <ul style="list-style-type: none">• Which continent is it in?• What is the Capital city?• What does the country flag look like?
Tuesday	<p><i>Here are the headings we'd like you to look at today...</i></p> <ul style="list-style-type: none">• What is the language that is spoken? Can you write some of the words and explain what they mean?• What food comes from that country?• Are there any special traditions celebrated?
Wednesday	<p><i>Here are the headings we'd like you to look at today...</i></p> <ul style="list-style-type: none">• What interest places are there that people visit (i.e. tourist attractions)?• Can you find out any interesting facts about the country?
Thursday	<p>Spend today finishing off your leaflets by adding pictures, drawings and an 'Additional Questions' sections (this may be questions that you might want to research further about your country). We look forward to seeing your finished work - send photos on the year2eis@welearn365.com email.</p>

Friday	Science: Identify and name different plants in their habitats. There are lots of plants and flowers popping up all around us - both in the wild and in the garden. We would like you to find and name different plants and flowers. There is a checklist of possible plants and flowers you could try and find on p. 3. There's space to add any further ones you find - hopefully an adult might be able to help you name them!
---------------	--

Maths Extra Activity:

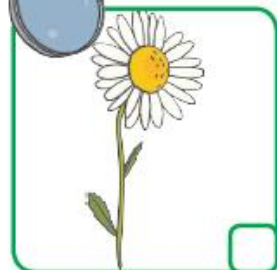

This week we would like you to practise your times tables. In Year 2 our focus is x1, x2, x5 and x10. Count in 2s, 5s, 10s and then practise your recall all of the following tables:

x1	x2	x5	x10
0 x 1 =	0 x 2 =	0 x 5 =	0 x 10 =
1 x 1 =	1 x 2 =	1 x 5 =	1 x 10 =
2 x 1 =	2 x 2 =	2 x 5 =	2 x 10 =
3 x 1 =	3 x 2 =	3 x 5 =	3 x 10 =
4 x 1 =	4 x 2 =	4 x 5 =	4 x 10 =
5 x 1 =	5 x 2 =	5 x 5 =	5 x 10 =
6 x 1 =	6 x 2 =	6 x 5 =	6 x 10 =
7 x 1 =	7 x 2 =	7 x 5 =	7 x 10 =
8 x 1 =	8 x 2 =	8 x 5 =	8 x 10 =
9 x 1 =	9 x 2 =	9 x 5 =	9 x 10 =
10 x 1 =	10 x 2 =	10 x 5 =	10 x 10 =
11 x 1 =	11 x 2 =	11 x 5 =	11 x 10 =
12 x 1 =	12 x 2 =	12 x 5 =	12 x 10 =

Plants and Flowers Hunt Sheet

Tick the plants and flowers that you have found!

daisy

buttercup

clover

nettle

dandelion

ivy

bramble

rose

bluebell

dog rose

sunflower

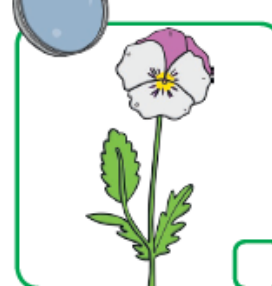

poppy

Name: _____

Tick the plants and flowers that you have found!

pansy

thistle

tulip

lily

primrose
