

The Reception Round-up!

Some of the lovely things we have been learning this week:

The children have really enjoyed all the activities relating to Chinese New Year this week. Our special assembly, the coin to bring home, lots of crafts activities and tasting Chinese noodles!

Hot chocolate treat! Yummy!

Wonderful Wellies continues to be a success and a lovely opportunity to take our learning outdoors! Please remember to send your child in with their wellies on their day!

How you can help your child at home:

Sometime next week please look out for **pink books** that have keywords in for your child to read and eventually learn to spell. They will replace word walls. **Please do not write or tick in these books, we will.** Please keep them in your child's reading packet and practice the words each time you read.

Some of the things that children might experience next week:

As part of our 'Keeping Healthy' theme, next week the children will be learning about Doctors and Dentists. We are sure they will have some experience of visiting these and enjoy role-playing situations! As usual, our learning, activities and crafts will be linked with these.

Sounds we have learned this week:

Sounds we will be learning next week:

Notices and information:

E-Safety meeting on Wednesday 29th January, 6pm at Emscote. All parents/carers are very welcome.

-Next Friday 31st January is non-school uniform day - Race Against Starvation, in aid of the Food Bank. In order to wear non-uniform, please can your child bring in a non-perishable item to donate to the food bank. A very worthy cause, so thanks in advance for your support.

-We still need parent volunteers to come forward for our Tesco Trips. Wednesday 12th February 9.30-10.30am and 1.30-2.30pm please. Your help would be greatly appreciated.

-Parents Evenings will be on Tuesday 11th and Thursday 13th February. Lists up 28th January - office
