

Reconciliation Zips

When people argue and fight, they get separated from each other. They're not together anymore.

Have you argued with someone recently?

Do you know people who don't get on well together?

Zips are clever.

Zips bring two sides together.

Reconciliation means bringing two sides together.

Pick up a zip and think about the people that you want to bring back together. If you want to, you can say a quiet prayer for the people you're thinking of as you do up the zip. This is a reconciliation prayer.
