

All Saints' CE Junior School Newsletter

December 2025

Dear Parents and Carers,

Welcome to our final newsletter of 2025. As we draw closer to the end of term, we are looking forward to all of the productions, music opportunities and church services that will help us to celebrate Christmas. We hope that you enjoy them and look forward to welcoming you, as always.

Thank you for all of your support this term and for attending our PTA events, which raise much-valued funds for school.

Kind regards,
Mrs Sutherland

Christmas Jumper Day

On Wednesday 17th December, our school will be taking part in Save the Children's Christmas Jumper Day. This is a fundraising event where children wear a jumper or other festive outfit and donate money to help children in the UK and all around the world.

We know times are tough, so please remember that whatever you can spare is fine - and if you can't spare anything that's fine too. To make donating easier we've set up a JustGiving page. The minimum donation is £1 (remember, you don't have to add the tip if you don't want to!)

Donate <https://christmas.savethechildren.org.uk/fundraising/cjd250031927>

Save the Children are encouraging people not to buy new jumpers for the day. You could upcycle an old jumper, get crafty or head to your local charity shop to buy a pre-loved festive knit. If you want to get creative and decorate a jumper, the Christmas Jumper Day website contains lots of fun craft ideas. This year, donating £2 could buy a packet of seeds for a family in Kenya to grow their own food, after drought has killed their crops, or a combined donation of £160 from our whole school could help train a psychological first aider to help children in Ukraine recover from their traumatic experience. We'd appreciate your support to make Save the Children's Christmas Jumper Day a success. Together, we can make the world better with a sweater.

Eco Fest

Next week the Eco Warriors will be holding 'Eco Fest', where we will be selling up-cycled Christmas gifts and treats to make money. Eco Fest will run every break-time in the hall on Monday, Tuesday, Wednesday and Thursday (8th to the 11th December).

The money we raise will be used in our school to help us reduce our carbon footprint and to encourage more wildlife. All items will cost between 10p and £1.50.

The money we raise will be used in our school to help us reduce our carbon footprint and to encourage more wildlife. All items will cost between 10p and £1.50.

We have lots of items on sale such as: Christmas decorations, plants, birdfeeders, book marks, bunting and Christmas cards. All the items made have been created by our fantastic Eco Warriors all out of materials that would have otherwise been thrown away.

There is also two competitions running. 20p to enter:

Competition 1: Design a poster to be displayed in school. This needs to encourage everyone to be more eco-friendly and to protect our planet! You can decide how to present your poster – it just needs to be A4 in size!

Competition 2: Art competition – use your

skills to create a fantastic piece of artwork. This can be of your chosen animal, bird or anything that you think represents the natural world. You could use pastels, collage, painting or any other form you would like. We will be exhibiting all the entries next year!

THERE WILL BE PRIZES

We look forward to seeing you at Eco Fest!

Year 4 Visit to WAST Concert

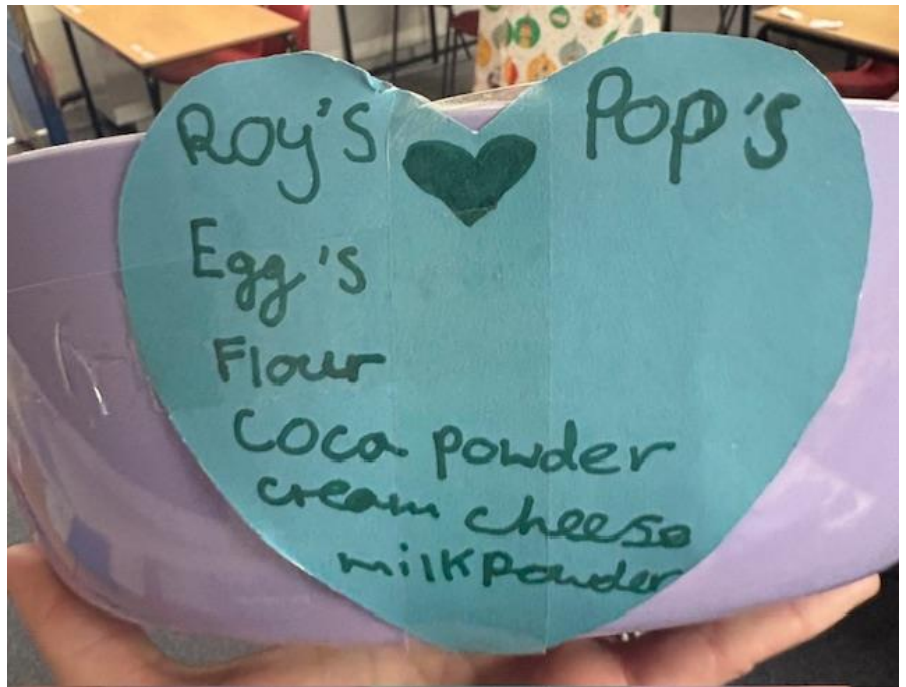

Year 4 visited the Warwick A Singing Town Concert at St Nicholas' Church in Warwick on Tuesday, they sang beautifully and decorated the tree with hearts decorated by the children for the local charity 'Kissing it Better'.

Thank you from Miss Cherry!

Miss Cherry would just like to say a huge THANK YOU to all who helped with her Bake Sale to raise money for the London Marathon (particularly 6DC children who baked/bought in delicious cakes to sell and who helped both Thursday and Friday delivering the sale).

She is delighted to be able to tell you that she managed to raise an enormous £330 for the Roy Castle Lung Cancer charity and is getting progressively closer to hitting her £2500 target needed to run the marathon. For those that are interested, her fundraising page

- <https://2026tcslondonmarathon.enthuse.com/pf/katie-protheroe> - contains the story behind why she's chosen to run the London Marathon next year. Thank you so much for your support 😊.

Free 11+ materials to all Pupil Premium eligible students provided by Rugby High School

What is Atom Home?

Atom Home is an online platform that supports KS2 learning and 11+ preparation through practice questions, video tutorials, and mock tests. It helps children build confidence with KS2 objectives and, where relevant, prepare for 11+ exams.

Why we're offering this:

We know that not every child has the same access to additional support at home, and hope this provision helps level the playing field.

For PP-eligible children preparing for the 11+, this should help them become familiar with the types of questions they may see and build their confidence ahead of the exam.

If you have any questions, please feel free to contact me or email Atom Learning on pupilpremium@atomlearning.com.

To access the free materials

1. Parents complete the form here: <https://atomlearning.com/pupil-premium/rugby-high-school>
2. Your school office will receive an email from Atom to confirm each child's PP eligibility.
3. Once verified, the free Atom Home account will be created and login details sent to the parent.
