

# All Saints' CE Junior School Newsletter

**April 2026**

Dear Parents and Carers,

It has been lovely to welcome everyone back for the start of the summer term, especially as the weather is now improving! The children have returned full of energy and enthusiasm, and it's been great to see such a positive start across the school.

This is always a busy and exciting term, with lots to look forward to, including trips, sports events and opportunities to come together as a school community. Please do take a moment to look through the dates below so nothing is missed.

Kind regards, Mrs Sutherland

### **Sports Days – Summer Term 2026**

In previous years, our Sports Day has taken place across a full day, with families joining us for a picnic lunch. However, you may recall that on several occasions we have needed to postpone the afternoon races due to very hot weather, making it unsafe for children to continue.

To ensure a more comfortable and enjoyable experience for everyone, we will be making a small change this year by splitting Sports Day into two separate mornings.

- **Morning 1- Tuesday 16<sup>th</sup> June:** A carousel of sporting activities for all children (previously our morning events).
- **Morning 2 – Thursday 25<sup>th</sup> June:** Competitive races, followed by a picnic lunch on the field.

After the picnic, children will remain in school for the afternoon as normal.

Families are very welcome to attend either or both mornings, and we look forward to sharing these events with you.

## **Warwickshire Ofsted/CQC SEND Inspection: Feedback Links**

As you may be aware, Ofsted and the Care Quality Commission (CQC) have begun their inspection of our local area's Special Educational Needs and Disabilities (SEND) arrangements.

As part of this process, inspectors want to hear directly from parents, carers, children and young people, and practitioners about their experiences of SEND services.

You can share your views by completing the relevant survey below.  
All responses are treated in confidence.

**The surveys will close at 9am on Tuesday 21st April 2026.**

## **Composting Workshops**

14.4.2026

Today we were visited by Ruth from WCC, she came to talk to us about composting and how to compost at home. She taught us about green (nitrogen rich) and browns (carbon rich) materials to use when composting. In Year 4, we made our own compostable plant pots and planted some wildflower seeds (using homemade compost), we were also able to look at some worms under a magnifying glass.

## Miss Cherry is running the London Marathon!

Next week (Sunday 26th April), Miss Cherry will be taking on the London Marathon, in memory of her Dad and to raise money for the Roy Castle Lung Cancer charity. She has absolutely smashed her target but as someone who doesn't enjoy running and for whom this is going to be a mammoth challenge, the more money raised for this worthy cause, the more determined she feels!

If you would like to show your support, her fundraising link below.

She would like to say a huge thank you to all who have supported so far, whether that be through donations or simply through words of encouragement 😊

## Cressida Cowell Book Signing

Daniel and Hazel went to the Cressida Cowell Book signing this weekend in Kenilworth.

It was an absolutely incredible experience for them both especially that she's Daniel's favourite author.

She spoke passionately about her history, inspirations and encouraged the children to get creative.

She also talked about her different book series.
