

All Saints' CE Junior School Newsletter

June 2026

Dear Parents and Carers,

It's hard to believe that we are already approaching the final few weeks of the school year! School life certainly isn't slowing down, with lots of exciting events and opportunities taking place across every year group. Over the last couple of weeks alone, we have enjoyed Sports Day field events, our Father's Day Breakfast, learning afternoons, educational visits and much more.

If you don't already follow our Facebook page, please do take a look. We regularly share updates and photographs celebrating the children's achievements and experiences. Feel free to like and share our posts with family members too – we know that grandparents and other relatives often enjoy keeping up with what is happening in school.

<https://www.facebook.com/share/18Rq1QSUpe/?mibextid=wwXlfr>

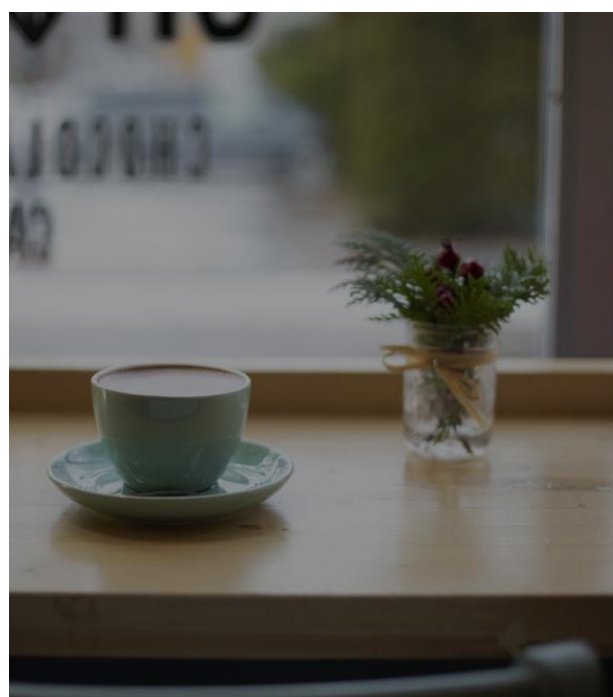

There is still plenty to look forward to before the summer holidays, so please check the dates below carefully. We are particularly looking forward to welcoming families to our Sports Day races next Thursday, followed by our family picnic on the field. We hope to see many of you there and at the other events taking place over the coming weeks.

Kind regards, Mrs Sutherland

Sports Day part 1

It was so lovely to see so many families enjoying the activities in the sunshine on Tuesday. Thank you to everyone who came and supported their children and joined in the fun and a big thank you to Mrs Wilkins who did a brilliant job in organising the event.

The second part will take place on **Thursday 25th June from 9.30am**: Competitive races, followed by a picnic lunch on the field. After the picnic, children will remain in school for the afternoon as normal.

Wellbeing choir visit

A big thank you to the year 6 wellbeing choir and staff for another fantastic trip to the hospital. They all conducted themselves beautifully and with real care and maturity and their singing brought much joy, from Cerys, Warwick – A signing Town.

Holiday Activities & Food (HAF)

Dear Parent/Carer,

The DfE-funded HAF (Holiday Activities & Food) programme provides young people the opportunity to access enriching activities alongside healthy meals over the **main school holidays at Easter, Summer and Christmas.**

Please note that this programme is entirely separate from the Local Welfare Scheme's household support funding (i.e. supermarket HUGGG vouchers).

All young people who currently meet the following two criteria are eligible:

- In full-time education between Reception - Year 11
- Receiving benefits-related free school meals

Each eligible young person can access a maximum of **16 sessions** over the Summer holidays. Families have the flexibility to book with multiple activity providers if desired. All activity providers can request additional funding for 1:1 support if this is required, however this will depend on their staff availability and qualifications. We also fund a number of SEND-specific activities.

Please note you will need a HAF code to book activities. **Eligible families can access their HAF code through the 'Request a HAF code' form at www.warwickshire.gov.uk/haf.**

Summer activity listings will be live on our site from **Monday the 22nd of June** so that you can book. Activities will then begin from **Monday 20th July.**

With our regards,
Warwickshire HAF Team

Could you give a future guide dog the loving home they need to thrive?

If you love dogs and have space in your home during evenings and weekends, becoming a volunteer **Training Dog Fosterer** could be a truly special way to help change someone's life.

By opening your home to a dog in training for around **12–20 weeks**, you'll play an important part in their journey to becoming a guide dog.

You'll enjoy all the companionship, fun and affection of having a dog around, while helping them build the skills they need for the future.

Why volunteer as a Training Dog Fosterer?

Because the support you give at home can make a huge difference. With your care, encouragement and consistency, a dog in training can grow in confidence and take the next steps towards supporting a person with sight loss to live independently.

What you'll do

- Welcome a dog in training into your home during evenings and weekends.
- Do the school run for your dog in training! This will typically involve dropping them off and picking them up, Monday to Friday, at our Midlands Regional Centre on Warwick New Road, Leamington Spa, CV32 6AH. Drop off is between 7.30 – 9.00am and pick up is 4.30 – 6.00pm.
- Feed, groom, exercise and enjoy spending time with them.
- Help reinforce their training at home with guidance from our expert team.

What you'll receive

- The joy of having a wonderful dog by your side.
- The chance to be part of something life-changing.
- Full training and ongoing support from a dedicated volunteer manager.
- All volunteer-related expenses covered, including food and vet costs.
- A warm and friendly community of fellow Guide Dogs volunteers.

Could this role be right for you?

We're looking for volunteers aged **18+** who live near our Midlands Regional Centre, have space for a dog and can offer a safe, caring home.

Find out more

If this sounds like something you'd love to do, why not join our online **Fostering Information Event via Teams** on **Tuesday 9th June, 6.00–7.30pm** to find out more? Register your interest to receive the joining details - [Register here](#) or email volattractcentral@guidedogs.org.uk.

A little of your time and care could help shape a dog's future — and change someone's life.

**YOUR FEET WORK HARD.

THEY CAN KEEP UP.**

Expert podiatry care in Warwick
& Leamington Spa

Who we are:

Stride Clinics is a professional podiatry clinic based in Warwick, helping people move better, feel better and stay active.

From everyday foot care to complex biomechanical issues, our qualified podiatrists are here to help.

What we treat:

- Heel & arch pain
- Ingrown toenails & nail surgery
- Fungal nail infections
- Verrucas
- Biomechanical assessments & gait analysis
- Custom orthotics
- Diabetic foot care
- Routine podiatry & foot maintenance

Get the best care

Children's feet develop quickly, and small problems can become bigger ones if left untreated. Verrucas in particular spread easily in school environments — on changing room floors, in PE, and between children who share spaces. At Stride Clinics we treat children in a calm, reassuring environment, and we're experienced in making even nervous young patients feel at ease. From verrucas and ingrown toenails to flat feet and growing pains, we'd love to be the go-to podiatry clinic for All Saints C.Of E. Junior School families.

Exclusive offer for All Saints C.Of E. Junior School families:

We're offering 15% off your child's first appointment. Just mention this leaflet when you book.
