

All Saints' CE Junior School Newsletter

September 2026

Dear Parents and Carers,

It has been a really positive start to the new school year and we are so proud of how well all of our children have settled back into school. It has been lovely to see them reconnecting with friends, getting to know their new teachers and embracing the opportunities that a new year brings. Thank you to everyone who joined us for our year group Welcome Meetings last week – we really appreciate your support and hope you found them useful.

As always, there is lots happening over the coming weeks, so please take a few moments to make a note of the important dates listed below. A special reminder too about two important PTA fundraising events coming up this term. Our Summer Fayre, which unfortunately had to be postponed because of the extreme heat last term, will now take place on **Friday 25th September**. Our ever-popular **PTA Fireworks Event** will then take place next half term – it is always a fantastic community event and we hope to see lots of our families there!

Finally, if you haven't already done so, please remember to follow our school Facebook page, where we regularly share news, photographs and celebrations of school life. <https://www.facebook.com/p/All-Saints-CE-Junior-School-61567269292956/>

Kind regards, Mrs Sutherland

Contact Details

If your child is new to the school, please make sure you have returned your contact details form to ensure we have the correct emergency contact details for you. Please make sure you have already received a text or email from school as this confirms we have the correct details for your child.

For existing pupils please make sure we are informed of any changes of address or phone numbers over the summer, thank you.

Reporting School Absence

If you need to report your child absent from school please call the absence line on 01926 492991 and leave a message. Please do not email the school. It is important that all children are accounted for as soon as possible in the morning and it is not always easy to spot an email first thing amongst sometimes 100 other emails that come in overnight, thank you.

Taking children out of school for appointments

Please try and avoid taking children out of school for appointments during the school day as it is not only impacts on your child's learning but can also be disruptive to the rest of the class. If this is unavoidable, please give plenty of notice to the office.

Friends of St. Nicholas Park group CCTV Campaign for St Nicholas Park

As part of a campaign for more CCTV cameras in St. Nicholas Park, we have set up an online petition (link below).

<https://www.change.org/parkcameras>

So far, our petition has reached 534 signatories and we have been pleased to see a new camera being erected at the cycle path on the route to the local schools. We are still hopeful of securing yet another camera if we can obtain further support for our petition. Therefore, we hope that you may include our petition in a forthcoming school newsletter. Our previous message is given below.

Many thanks indeed.
