July 2022

Dear Parents/Carers,

This has been such a busy term with a range of activities and trips going on in all year groups; we hope you've enjoyed hearing all about them from your child/ren. It has been wonderful to welcome you in for some of these events, including Sports Day and our Leavers service at church - it has felt like a much more 'normal' end to the academic year. Overall, this has been a really successful year and we would like to express our thanks to all families for your help and support in achieving this success. We hope you enjoyed reading your child's report and would be grateful for any feedback via the form sent out on Friday. Our Year 6 children have been simply wonderful this year; they have worked exceptionally well and engaged in all aspects of school life - we will miss them but wish them the best of luck in their new schools. Come back to visit us! Wishing you all a lovely summer break and we look forward to welcoming (most of) you back in September.

Kind regards, Mrs Sutherland

## Staffing news

We would like to send our congratulations to Miss Cherry and her husband who are expecting their first baby early in 2023. She will continue in a slightly different pastoral role in school in September until her maternity leave.

We are looking forward to welcoming Mrs Davies back in September following her maternity leave. She will be working in Year 5 with Mrs Wilkins.

We are very sad to say that Mr Green our Caretaker will be leaving us at the end of the Summer Term. Mr Green joined us in November last year and has been a fond member of the All Saints' Team ever since. We wish him all the best in his new role!

# Children have been doing lots of lovely things recently, here are a few highlights!

## Warwickshire Junior Book Awards

Groups of children in Y5 and Y6 have been enthusiastically taking part in the Warwickshire Junior Book Award this term. They all read the four shortlisted books and voted on their favourite. Y6 children attended the final award ceremony at Warwick Hall last week and thoroughly enjoyed hearing from all of the authors before the winner was announced - Chime Seekers by Ross Montgomery. This was the overall favourite of our keen readers too, so they were delighted!

## All Saints' Church Service

Our leavers service was a wonderful occasion last week - the children sang beautifully and shared really thoughtful memories and prayers. It was amazing to be together as a school community along with all the family members who attended.

## **Message from Educaterers our school lunch provider**

In the last couple of days there has been a lot of coverage in the press following a report published by LACA - The School Food People, stating that due to rising food prices some school caterers have, or will, switch to cheaper imported meats and change other menu items to reduce costs.

I am writing to reassure you that Educaterers will not be going down this route. We are as committed as ever to supporting British farmers by serving British meat and do not plan to make any changes to our menus, ingredient quality, recipes or portion sizes, so things will remain as they always have - delicious, nutritious food for all.

We have had to make a small number of short term changes due to supply chain issues but in most cases these are on a like for like basis, for example, a switch from British Red Tractor chicken fillets to British Red Tractor turkey fillet due not to price increases but a lack of British chicken due to Avian flu. I'm pleased to report that our young diners tucked into the delicious turkey just the same with no complaints.

We are excited to launch our new menu in September which you should have received a copy of by now and which has been created with our consistent focus on quality and nutrition.

Thank you as always for your continuing support

Kind regards

Caroline Alexander

## **Tesco Birmingham Children's Hospital Raffle**

Well done to Millie in Year 6 who won the hamper and to everyone who bought tickets for this worthy cause.

## **Care with use of hand sanitiser**

With continued, everyday use of hand sanitiser, please remind your child to be careful when dispensing, particularly the pump-type, as these can be unpredictable and can cause irritation if it comes into contact with eyes. Should this happen, more information can be found on the link below.
