

Weekly Topic Tasks for Year 2 w/c Monday 29.6.20

Our topic, 'That's Incredible' continues with the theme of 'Incredible Me' which will be the focus over a 2-week period.

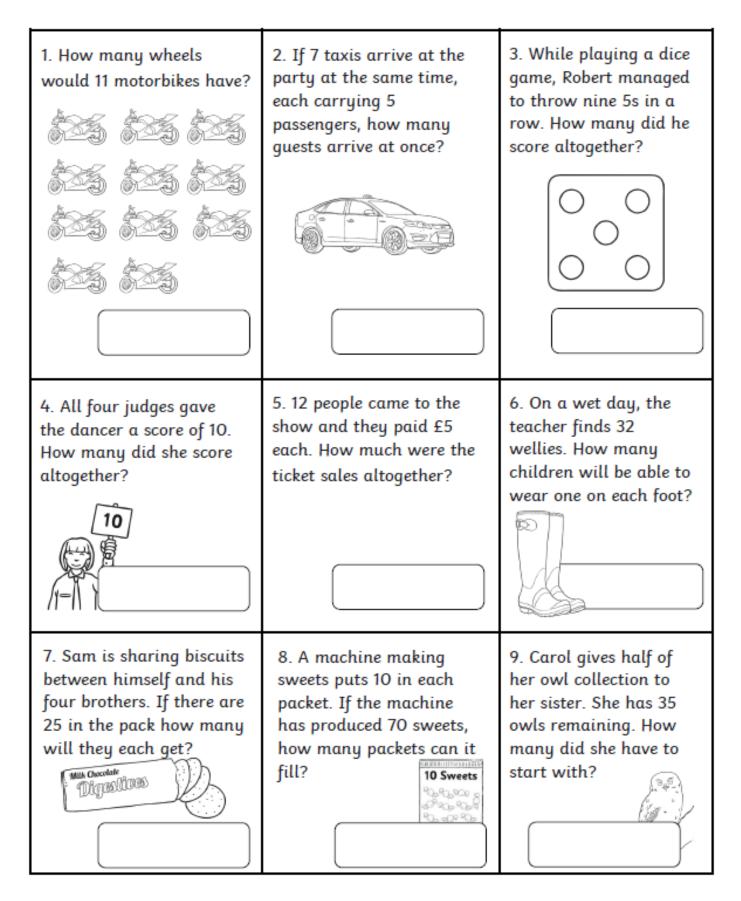

Monday	Incredible Me
	As an introduction we would like you to complete the 'All About Me'
	poster on page 4, adding in lots of details about you! If you want to
	add any other information yourself please do,
Tuesday	Portrait Pictures
	We would like you to create a portrait of yourself or someone in your
	family using whatever medium you would like (e.g. pencil, coloured
	pens, paint, pastel). Using a mirror look closely at the different
	features of your face - eyes, mouth, nose and
	ears for example, and think about the shapes 🛛 🖉 🚰 🏎
	and sizes that they are. There is a template on 🛛 🛛 🌌 📉 🧟 🧎
	page 5 for you to use as a starting point. 🛛 🎢 👘 🦹
	If you would like you can make a frame for your
	portrait using card from a cereal box. You could
	stick on pasta, buttons, sequins or string to make
	a 3D effect.
Wednesday	Parts of the Body
	We would like you to watch the video and to answer the questions on
	the quiz to see how well you have listened:
	https://www.bbc.co.uk/bitesize/topics/z9yycdm/articles/zqhbr82
	Next using your knowledge of the different parts of the body, we
	would like you to carefully label the picture(s) on page 6. Check
	spellings carefully by asking your grown-up to help you or to check in a
	dictionary. E.g. knee starts with a 'k'!
	You might like to watch this video to learn about the bones in the
	body! <u>https://www.youtube.com/watch?v=Ns91jtuPHZI</u>
Thursday	Story Time
	Our story this week is Wilfrid Gordon McDonald Partridge written by
	Mem Fox. Listen to the story by clicking on the following link:
	https://www.youtube.com/watch?v=usnOEnTXabw
	We would then like you to talk about the story with your grown-up
	and discuss the story messages (e.g. the importance of knowing what
	memories are and helping others).
	Complete the work sheet on page 6 linked to the story.

Friday	Making a Thinking of You Card				
	Leading on from the story of the week, we would like you to create a				
	greeting-style card to tell someone that is important or special to you that				
	you are thinking of them.				
	Think about what picture they might like	Hello	Thinking		
	on the front of the card and a special	a mas	of You		
	message that will make them smile.	10000	00		
	Here are some ideas of what you could				
	draw. Write a kind and thoughtful				
	message inside. Can you ask your grown-up	M			
	to help post it to your special person?		2Å		

## White Rose Maths

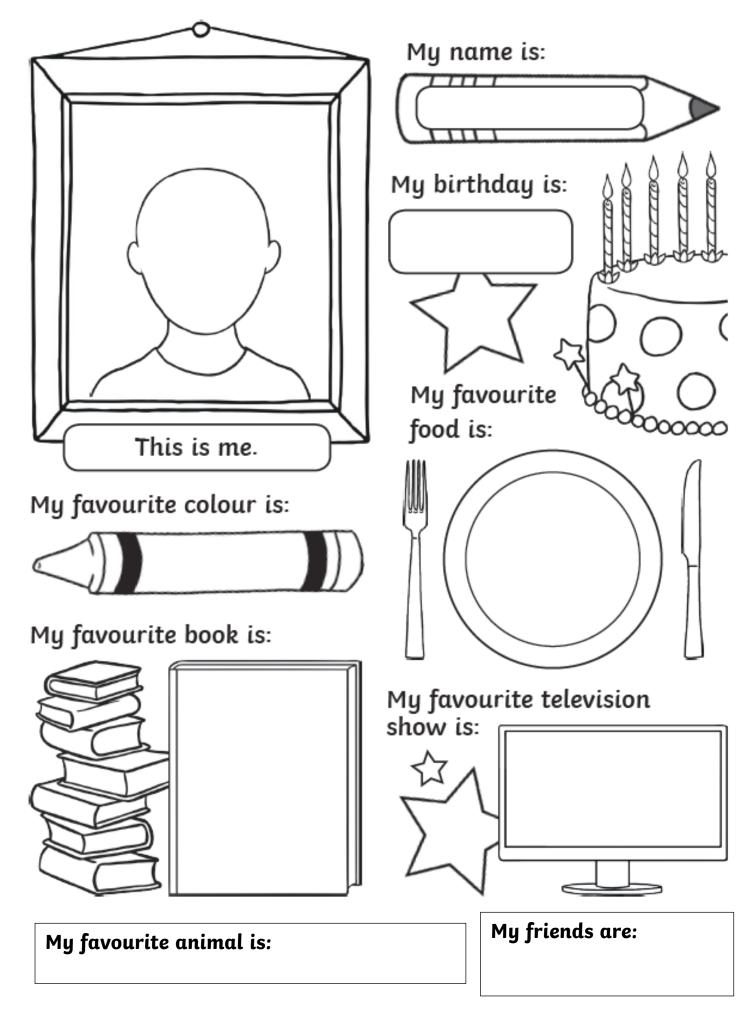

Remember to access White Rose Maths to complete the Year 2 weekly activities. The worksheets can be found on the school website: <u>https://whiterosemaths.com/homelearning/year-2/</u>

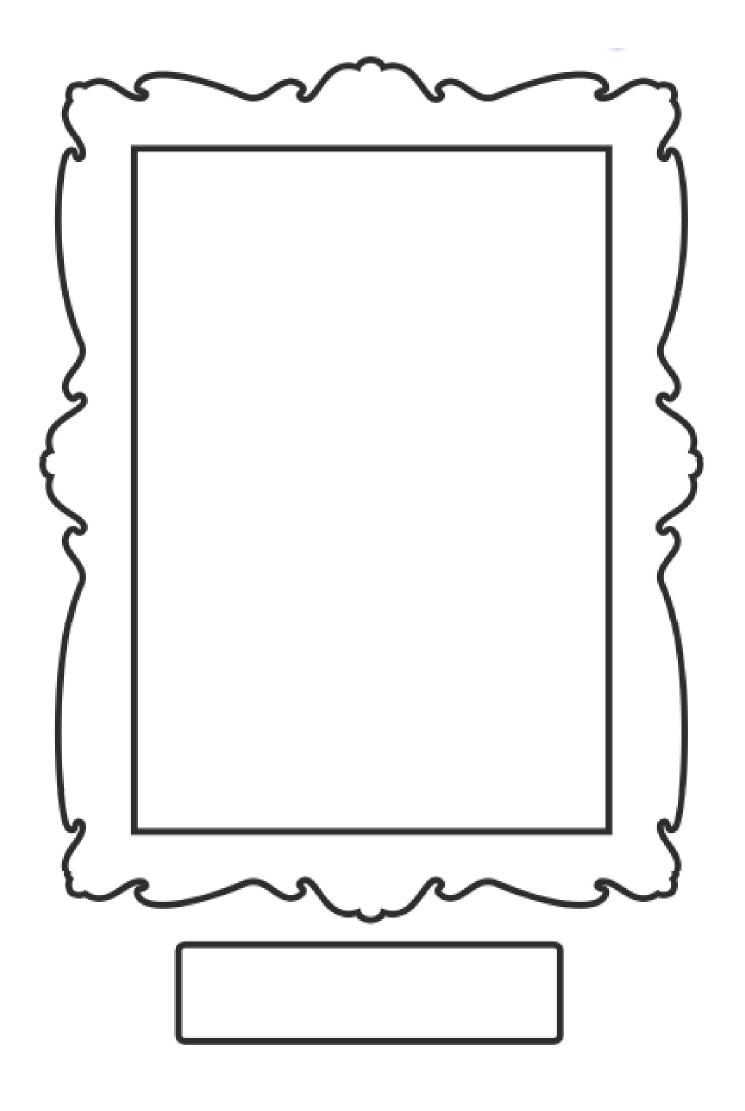

## Maths Extra Activity: Multiplication and Division Word Problems

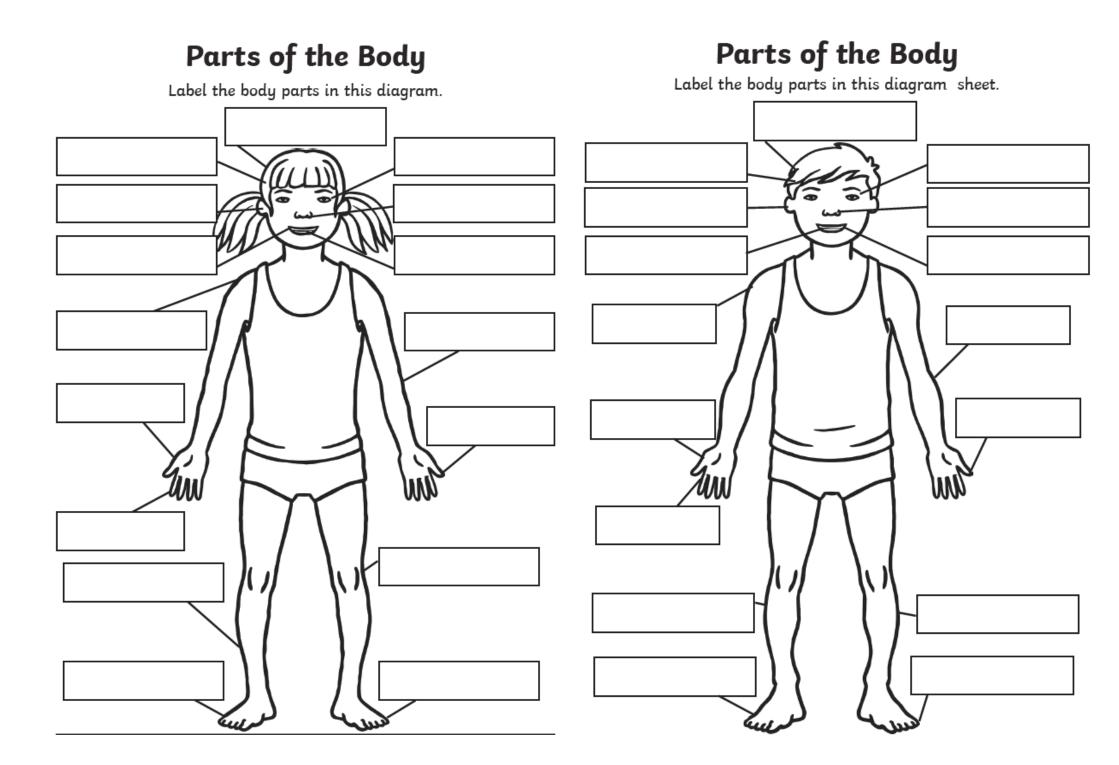

You could also try to create your own multiplication and division word problems as an extra challenge.
