

# All Saints' CE Junior School Newsletter

July 2025

Dear Parents and Carers,

This is the final newsletter of the academic year and we have been enjoying celebrating the achievements your children have made this year. You will receive annual reports this Friday, which will give you more information about these achievements. As usual at this time of year, I'd like to recognise the hard work of our amazing staff team, who inspire and enthuse your children in their learning. They really are incredible! And talking about incredible achievements, please read on to find out about our very own Mr Gammon, who last week took part in the 'Western States' Endurance Run. The challenge is to run 100 miles in 30 hours, covering all sorts of terrains in California, day and night and in high temperatures. We enjoyed welcoming him back on Monday and pleased to see he can still walk! His perseverance has really inspired the children.

And finally, an enormous thank-you to you all for the support you have given the children and school this year, it is very much appreciated. We wish you a very happy summer holiday and look forward to seeing you in September. For those Y6 parents who are leaving us, we wish you and your children the very best of luck and hope to hear how they are getting on.

Kind regards, Mrs Sutherland
