

# ***Emscote Express***

*Issue 17, 18<sup>TH</sup> June 2021*

Dear Parents and Carers,

I hope you all enjoyed the sunny half term break and I'm pleased to say that all the children have settled well into their final term of the school year.

Although this summer term will be different to previous ones, we still hope to keep as many events as possible running for the children, including sports day, summer fairs, festival of running and transition day. We also have our chick eggs arriving in school on Monday, which is always a highlight for the children and staff alike!

A huge thank you to parents who have nominated Emscote for a 'Wave of Thanks' for our fantastic work during lockdown. The staff are all very excited about receiving their bundle of goodies and are very touched by the gesture of thanks.

This week we got involved with Clean Air Day and helped raised awareness around how the children can make positive changes towards our environment and their own health. Emscote has teamed up with AQMesh to install an air quality monitor outside of our school, helping us to monitor the levels of air pollution and the effects of the school run traffic, idle engines and congestion throughout the day. We hope this will encourage families to give the car a day off and to walk, cycle or scoot to school wherever possible. As an eco school we have always focussed on teaching the importance of being environmentally aware by walking to school, turning off the tap, switching off the lights and recycling. By having the air monitor installed and explaining to the children what it does, we can start to make even more changes which we hope will lead to a better quality of life and health for the community as a whole.

Yours sincerely,

Mr Queralt

### **Drama club with Arts Insight - spaces available!**

Arts Insight is a national education charity providing first class musical theatre workshops and performing arts classes to young people up and down the country. We believe in the role of performing arts in improving children's development in essential life skills such as confidence, communication, teamwork, discipline and self-esteem. Our work is proven to be completely inclusive for children of any age, culture, physical and mental ability.

Sessions are £5 a week and run on a Monday 3-4pm starting 14<sup>th</sup> June – 19<sup>th</sup> July. If your child qualifies for pupil premium we can fund this for you.

Please contact the office for more information.

## Clean Air Day 2021: Local authorities use AQMesh to study air quality on school streets

AQMesh has partnered with Warwick District Council and Stratford District Council to install air quality monitoring pods at six local primary schools, **including Emscote Infant School**, as part of this year's national Clean Air Campaign.

The data from the pods will be used to show how pollutant levels vary throughout the day and hopes to encourage parents to use alternative methods of travelling to school instead of driving. How you and your children can help:

- Walk/cycle/scoot to school
- Don't idle your engine
- write to the local council about the changes you believe should happen to help tackle air pollution
- Use your side streets and avoid busy roads

Led by Global Action Plan, Clean Air Day takes place in the UK each year to bring communities and organisations together to help raise awareness and improve public understanding of air pollution, what causes it, how harmful it is and what can be done to reduce it. This year's Clean Air Day is Thursday 17<sup>th</sup> June and will be focussed on pollution's impact on children, with the campaign's key message being 'Let's protect our children's health from air pollution'.

To get involved in the Clean Air Campaign and learn more about the part you and your children can play visit <https://www.cleanairstday.org.uk/free-resources>

# Mrs Vallins' Sports Update!

## CSW Virtual Games Winners

Well done to our year 2 team for receiving their winning certificate in the CSW virtual games this year! We will be sharing our certificate on the school website too.

## Festival of Running Update

Although the official Festival of Running has been cancelled, we are still going to run our own in-house festival of running for the children on 8<sup>th</sup> July 9.30-11.30am. This will be a celebration of achievement for all children that have reached the half marathon milestone and beyond. We've had so many marathon certificates to hand out again this week and our first person to reach 3 full marathon – 126.6km in total which is amazing!! The festival will be held in yr1 and yr2 bubbles, sadly though we are unable to invite parents along to watch. However, will be sure to take lots of photos so that parents don't miss out. Look out for these on the sports section of our website and in our July newsletter.

***You can nominate our very own Mrs Vallins for an Active School Hero award.***

**Teachers nominated will have an opportunity to:**

1. Receive exclusive sporting experience for their schools provided by award lead partner Nike
2. Attend a professional development workshop with international experts
3. Receive exclusive Nike kit
4. Receive inspiration from a Nike athlete ambassador
5. Become the 2021 Active School Hero winner

Click below to nominate (nominations are free and take 2 minutes!) or for further information

Independence is not something that your children can gain on their own; they have neither the perspective, experience, nor skills to develop independence separately from you. Rather, it is a gift you give your children that they will cherish and benefit from their entire lives. You can provide your child with several essential ingredients for gaining independence:

1. Give your children love and respect.
2. Show confidence in your children's capabilities.
3. Teach them that they have control over their lives.
4. Provide guidance and then give them the freedom to make their own decisions.

Remember the old adage “Give a man a fish, feed him for a day. Teach a man to fish, feed him for a lifetime?” Children need to feel wanted and helpful, and they need us to learn responsibility. Teaching our children from a young age of how to take care of themselves will create them to have that ability later on life when they will really need these essential skills.

# FREE SCHOOL MEAL ENTITLEMENT AND PUPIL PREMIUM REGISTRATION

Due to the current situation with COVID-19, we are aware that Parent and Carer's circumstances may have changed. Depending on your family/household income, your child may be eligible for **Free School Meals**. All children in Infant School receive a free hot meal at lunch-time, but this is a separate entitlement.

If your child qualifies for Free School Meals they will also receive **Pupil Premium funding**. This entitles your child to free or subsidised school trips, music lessons, school uniform and help to access after school clubs. Registering children for Free School Meals and subsequently Pupil Premium also enables the school to claim additional funding to improve resources for your child in school.

If you can answer yes to any of the following questions you may be eligible:

- Is your joint family **income** under £16,190 per year?
- Are you in receipt of any of the **benefits** listed below?
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support from NASS (National Asylum Support Service) under part 6 of the Immigration and Asylum Act 1999
- the guarantee element of State Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on
- Universal Credit.
- Are you or your partner a member of the **Armed Forces**?

All reception, year 1 and year 2 children in state-funded schools can have a free hot meal at lunchtime. This is known as 'Universal Entitlement'. If you think you are eligible for any of the criteria above we recommend that you still apply. This will mean that your child's school does not miss out on important funding. **It may also mean your child will continue to receive free meals after the end of year 2.**

If you think you are eligible then you can apply online at

<https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>
