Associate Headteacher: Mr Jon Queralt

Dear Parents

As I am sure, you are aware schools in the local area have been closing bubbles due to positive cases of coronavirus.

If we are advised by Public Health England that there has been a confirmed case of coronavirus (COVID-19) in a bubble this is the procedure we will follow. We hope this helps you to support your child.

Please remember and reassure your child that for most people, coronavirus will be a mild illness.

We are monitoring the situation and working closely with Public Health England, following government advice which is:

- All children and staff in the same year group will be sent home to self-isolate for 14 days.
- If a child is isolating due to coronavirus we will provide work for them to do at home.
- To carry out a deep clean of the school

The school remains open to the other year groups; they can continue to attend school as normal including other siblings in school.

We all need to remain vigilant by watching out for symptoms of coronavirus. The symptoms are:

- a new continuous cough
- and/or high temperature
- and a loss of or change in normal sense of taste or smell

If you or your child shows these symptoms:

- **do not come to school**
- inform the school of the situation
- self-isolate with your household
- all siblings must stay at home
- book a test immediately

There are things we can all do to help reduce the risk of you and anyone you live with getting ill with coronavirus:

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards
- All adult must stay 2 metres apart from each other

If you or your child have a positive test result during normal school hours please call the usual school office number. During evenings or weekends please report positive test results only by text to 07732387372.

Further information is available at:

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

Keeping children safe and in school in our priority. Please follow this advice to help us achieve this.

Yours sincerely

Debi Cossins
Executive Headteacher
