

# Reception Weekly Round-Up!

Friday 24<sup>th</sup> November 2023

## Maths:

Next week in Maths, the children will be learning how to compose and de-compose 3, 4 and 5. They will be thinking about the different parts of the numbers and how to make the whole.

## Phonics:

Next week in Phonics, we are learning some more new sounds.

The sounds are:

**'ff' 'l' and 'll'**

Please help the children to find objects in your home or think of objects that begin with these sounds.

## Topic:

Next week, we will be learning about the artist 'Kandinsky'. He was famous for paintings that were made from circles. He used lots of different colours and mixed some together.

Some photos from this week in Reception!

### Message from Miss Stanley and Mrs Vallins:

We have our very own Starbucks Café in Reception for the children to play in. We would LOVE the children to visit the real Starbucks with their grown ups and send us pictures in on Seesaw or printed copies or email them through to the office! Thank you!

### How you can help at home...

- Share a book and read with your child every night.
- Talk with your child about their day at school.
- Please encourage your child to become independent in using a knife and fork effectively.
- Please encourage your child to be responsible for gathering their belongings in the morning and putting on their coats independently, to help them do so in school.
