

# Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool
Revised July 2021

# Commissioned by

Department for Education

# Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

 $Please visit \underline{gov.uk} for the revised Df Eguidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. Df Een courages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium. \\$ 

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any <u>under-spend from</u> 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.** 

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2022. To see an example of how to complete the table please click <u>HERE</u>.

Created by:

### **Details with regard to funding** Please complete the table below.

Total allocation for 2021/22	£18,250
Total spend for 2021/22	£21, 193 (using carry-forward from 2020-21)
How much will be carried forward into 2022/23?	£0
Total amount allocated for 2022/23?	£18,100
Total amount of funding for <b>2022/23.</b> To be spent and reported on by the 31 <sup>st</sup> July 2023.	£18,100

## **Swimming Data**

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.  N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.  Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	To be confirmed by end of summer term.
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?  N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023. Please see note above	80%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	72%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	98%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

# **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23	Total fund allocated: £18,100	Date Updated:	21.07.23	
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation: 68%	
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
8-8-	All children have a least 30 minutes of daily physical activity which includes:  - Weekly PE sessions- 1 indoor PE/gym and 1 outdoor sports lessons.  (The children benefit from a progressive scheme of work-Dan Partridge- which has been written with careful consideration of the aims of the National Curriculum, to ensure a wealth of opportunities to develop physical skills as well as developing the whole child.)  - Swimming lessons will take place across KS2-these will replace one of the PE lessons whilst taking place.		All chn participated in 2 weekly sessions of PE, learning a range of indoor and outdoor sports.  Swimming took place weekly from Sep 22 – July 23. Weekly lessons took place for year groups as follows:	
			1 full term – Y5 (as so many non-	

	- 'Top up' swimming for Year 6 chn who are not able to swim 25m.	£580	swimmers when chn were in Y4) and Y3 ½ term each – Y4 and Y6.  Top-up swimming took place for 6 sessions for those Y6 chn who needed extra input to reach 25m.  There were 15 non-swimmers in the year group after their usual lessons were completed. This required 2 swimming coaches for Kick 25, leading to increased costs.	
	- Marathon Kids	N.A.	Total distance run: 4170.7km Average per runner: 19.2km Average per run: 0.8km  84.3% of chn achieved 10km 38.7% of chn achieved half marathon 9.7% of chn achieved 30km 3.7% of chn achieved full marathon	This demonstrates the impact and sustainability of the investment made in last academic year, creating the all-weather running track.
Children to be engaged in high quality play/regular activity throughout lunchtime break.	Year 5 children to get 'Leadership training' which TA's will also attend to support children. This will enable them to lead games at break-times and lunch times to make it more fun and to help improve children's physical and mental well-being.	£500	_	Sustainability built in with the TAs ready to take on rotas for supporting play leaders.
Children are able to access high quality play and sports resources.	Purchase of sports equipment to help support the PE lessons being taught (also to help differentiate) such as: -tchoukballs -tchoukball nets -handballs	£1,800	New equipment enables a wider range of sports to be played.	

	Upgrading trim trail to enable further activity during break and lunch-times.	£150	Maintenance cost of current equipment	
	activity during predictand name times.	£13,766	Cost for full replacement of the trim trail, to be installed summer holidays 2023.	
		-£4,500 = £9,266	Offset by £4,500 donation from PTA towards overall cost Balance paid from Sport premium	
		Total for KI 1: £12,296		
To continue implementing Teach Active Maths	Continue using Teach Active in maths to get the children moving. (Discussions with other teachers on good practice/activities that have worked well)			
<b>Key indicator 2:</b> The profile of PESSPA	A being raised across the school as a to	ool for whole sch	ool improvement	Percentage of total allocation:
Intent	Implementation		Impact	0%
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Ensure that all children are aware of the importance of a healthy lifestyle, including both diet and regular exercise	-PSHE long term plan is revised so that it covers in greater detail all aspects of keeping healthy. This will be done during lessons or through assemblies.	N.A.	Revised PSHE scheme implemented during this academic year	
	-Keep monitoring whether additional resources are required.			

	-Change Makers after school club to run weekly during Autumn Term.	N.A.	After the success of last year, this was less well attended this year.	There was a less experienced leader this time – investigate viability next year.
To encourage pupils to take on leadership roles that support sport and physical activity.	(See Key indicator 1 for more information)  -Leadership training for year 5's to help create more engaging break and lunch time opportunities.			
Pupils are aware of sporting activities and achievements across the school	Sports noticeboard to regularly be updated with photos. All participants in sporting fixtures to receive a certificate for participation in assembly. School newsletter carries a regular slot of our achievements.		Greater visibility and celebration of our sporting achievements. Celebrated a wide range of sporting achievements, including a much bigger number of chn completing kids marathon.	

Key indicator 3: Increased confidence	, knowledge and skills of all staff in t	eaching PE and sp	oort	Percentage of total allocation:
				22%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
PE specialist teacher to teach alongside teachers to ensure CPD and confidence in all staff, to help improve the overall quality of PE lessons throughout the school - to develop higher levels of participation in PE sessions.	Planned support to develop CPD of all staff. Teachers choosing sports they are not as confident with and team teaching alongside specialist teacher. Specialist teacher will also do recap sessions on how to get children to perform effectively at long jump & standing triple jump following installation of new pit last year.			During 2023 24, staff will team teach with specialist teacher, then be observed teaching, coached by him to improve confidence and skill.
Ensure all staff are confident in teaching and delivering high quality PE resulting in higher quality learning		5 days release time – supply cover – to enable PE lead to review curriculum,	Completed an audit, planned use of specialist teacher time accordingly – opportunities to observe and team teach.  As above, purchased assessment materials to more effectively judge impact of the curriculum.	

Get more confidence in teaching 'Dance'.	and come up with lesson plans (sequence of lessons) each year group can use and adapt. Organise sometime to go through this with the teachers so feel confident when teaching it in the next Autumn Term.	free course – 1 days supply cover £250 Total for KI3: £3,900		
<b>Key indicator 4:</b> Broader experience o	r a range of sports and activities offe	ered to all pupils		Percentage of total allocation: 0%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Continue to offer a range of sports to the children through specialist teacher.  Also, to continue to offer a range of sports to the children through different competitions run through our local PE school games organisers.	Using specialist teacher time to lead sessions on alternative sports.  A range of children to be picked to represent school in different sporting competitions. A lot of these competitions will be aimed at developing children's confidence in the sport and inviting children with SEND needs to attend.	Ė	This year, year groups have chosen different sports to develop their CPD. For example, year 5 have learnt how to play tchoukball. They will also have a couple of sessions with the specialist teacher.	

Key indicator 5: Increased participation in competitive sport		Percentage of total allocation:		
				12%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to Created by:  Physical Partnerships Partnerships	Make sure your actions to achieve are linked to your intentions:  Supported by:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

consolidate through practice:				
Continue to develop the children's involvement in local sport tournaments by increasing the number and variety of sports and varying the pupils who compete.	Calendar of activities throughout the year Cross country races Indoor athletics competition against local schools Swimming gala against local schools – not yet back in place following pandemic. Competitions organised by Central Warwickshire School Sports Partnership Take part in interschool sporting tournaments throughout the academic year.  Paid for a football coach to train the school team and manage fixtures against other schools.	f750 - Transport to competitions (sig increase in cost due to fuel rises)  £500 4 x ½ days supply cover  £400	designed specifically for them.  This was a real success this year with chn engaging enthusiastically  A local retired headteacher who ran	Teaching staff to ensure all children have the opportunity to represent the school.  PE Leader to carefully select competitions entered for the academic year, to ensure all ability of students have a fair chance to represent the school.  Booked to coach our football team again next year.
The organisation of the annual Sports Day to be managed to showcase participation, teamwork and a competitive element.  Created by: Physical Partnerships	Management time to be given to PE Leader to secure a smooth running of events  Supported by:		dribbling, obstacle course.  Pm – track competitions.  Parents invited to attend all day, was	The first half of the day was successful – chn all engaged and displayed sporting attitudes, cheering peers on, encouraging them, etc  Unfortunately, in the second half of the day, the races had to be

Total for KI5 = £2160		reserve date was booked but unfortunately that was rained off too.
