

All Saints' CE Junior School Newsletter

May 2025

Dear Parents and Carers,

This is going to be a very short but busy half term! We look forward to welcoming all of you to our VE80 celebration picnic on the field this Thursday - please come prepared for whatever weather we might face! Our children will all be observing the national 2-minute silence in their classrooms at 12 o'clock and will then come outside to join you. Just a reminder that children will be staying in school for the rest of the afternoon; the bell will be rung to get our children to line up leaving the field clear for the Emscote children to gather and set off.

I'd also like to take this opportunity to wish our Y6 children the very best of luck in their SATs tests next week. They have been working really hard all year and the Y6 staff team have been doing an amazing job of preparing the children, so a big thank-you to them too.

Kind regards, Mrs Sandra Sutherland

Spring Rocksteady concert

Every Tuesday, Rocksteady come to work with children across all year groups. Children have the chance to play in a band, whilst learning a new instrument and learning all about rhythm, tempo and collaboration. Our termly Rocksteady concert was greatly enjoyed by all the school and the family members that came to watch.

Mr Gammon's Endurance Run

On 28th June Mr Gammon is taking part in the Western States® 100-Mile Endurance Run which is the world's oldest 100 mile trail race. The Run starts in Olympic Valley, California, near the site of the 1960 Winter Olympics, and ends 100.2 miles later in Auburn, California. In the decades since its inception in 1974, Western States has come to represent one of the ultimate endurance tests in the world.

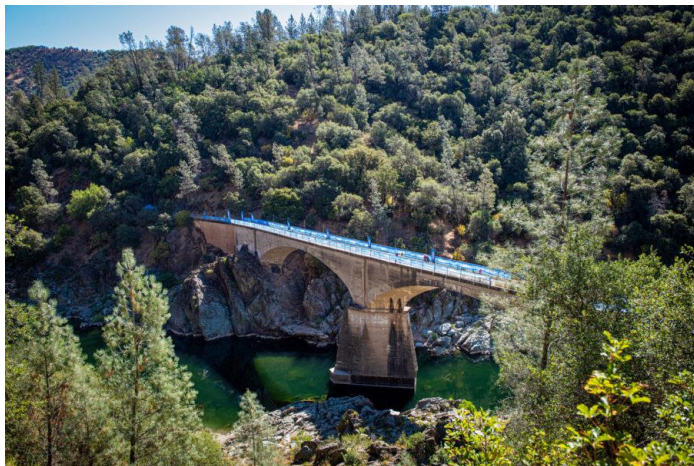

Traversing the traditional lands of the Nisenan, Washoe, and other neighbouring Indigenous Peoples, the Western States Trail climbs more than 18,000 feet and descends nearly 23,000 feet before runners reach the finish at Placer High School in Auburn.

In the miles between Olympic Valley and Auburn, runners experience the majestic high country of Emigrant Pass and the Granite Chief Wilderness, the crucible of the canyons of the California gold country, a memorable crossing of the ice cold waters of the Middle Fork of the American River and finally the historic reddish brown trails that led many travellers, including gold prospectors, to Auburn.

For five decades, Western States has been home to some of the sport's most stirring and legendary competitions. With more than 1,500 dedicated volunteers helping to create a once-in-a-lifetime experience, the Run has stirred the spirit of runners from all walks of life, from all over the globe.

Offering the sports oldest and most prized possession – a sub-24-hour silver belt buckle and a sub-30-hour bronze belt buckle – Western States remains one of the undisputed crown jewels of human endurance.

I have had to qualify every year to get accepted into the lottery to see if I get my name drawn and have run an ultra run every year for the last 8 years trying to get in. There are only 380 people drawn every year out of thousands of entrants. I finally got in this year and am really looking forward to my big adventure and will call the children from the states to say hi!! Cross your fingers!

PTA Summer Fayre Helper Request

Following our fantastic Easter events, which raised almost £1000 for the schools, we are now looking to make the Summer Fayre, taking place after school on Friday 27th June, the biggest and best yet. For that to happen, we need as many volunteers as possible so we would be really grateful for any time you can spare.

If you are able to help, please complete the following short form to let us know your availability and preferences for stalls etc: <https://forms.office.com/r/tfJSYuLFix>

Please do contact the PTA on emscoteandallsaintspta@gmail.com if you have any questions.

Many thanks,

Laura and the PTA team
