'Just Imagine'**

Monday	Research the artist Giuseppe Arcimboldo. Look at a range of the pictures he painted. The following links may be useful: https://www.youtube.com/watch?v=7TVsSjv9zEY - brief introduction https://www.youtube.com/watch?v=wbv-ugfgMLo - create a face from food at home! https://www.youtube.com/watch?v=aTBMzRureiE - a range of his paintings. See how many more you can find!
Tuesday	Use a large photograph of your own or a family member's face. If one is not available, draw a picture of your own face. It needs to be A4 size.
Wednesday	Draw (adults can help you) different types of fruit and vegetables. Cut them out and stick them onto your photograph or picture. (See appendix 1)
Thursday	Write simple instructions, describing how you made your picture. Write in full sentences, beginning them with first, next, then and finally. (See appendix 2)
Friday	Italy is famous for its food. Write a simple menu with Italian dishes and illustrate it. (See appendix 3 for ideas)

We're missing your smiling faces but we're so proud of you all. We hope you had a lovely Easter and didn't eat too much chocolate! We didn't eat much chocolate at all... 😊

Take care and stay nice and safe

(Appendix 1)

Plan your Arcimboldo inspired face using the checklist below

What will you use for the neck?

What will you use for the hair?

What will you use for the ears?

What will you use for the eyes?

What will you use for the mouth?

Use this as a frame for your picture if you'd like to!
